*Treading Water Boxed Set* Marie Force, 2015-05-18 Ten years ago this month I wrote THE END for the first time in TREADING WATER At that time I never could've imagined the amazing journey I was about to embark upon and how it would change my life my family's life and the lives of many of my friends and family who now work with me But on that afternoon of May 18 2005 all I could focus on was the singular feeling that comes with actually finishing a book for the first time There are no words to describe the thrill the sense of accomplishment and the fear of what comes next I remember those feelings as if they were yesterday rather than ten long years ago Forty one books later I still get a thrill out of writing THE END but nothing will ever compare to finishing TREADING WATER To celebrate the tenth anniversary of that amazing day I'm thrilled to bring you the Treading Water Series Box Set available for the first time on May 18 2015 Thank you to all the readers who've made the dream that began on that long ago day come true in every possible way I hope you enjoy this box set xoxo Marie

*Here, There and Everywhere* Marie Force, 2022-03-22 Isabella Coleman wasn't looking for love when she attended her cousin Wade's wedding in Boston but she hadn't counted on the bride's father Cabot Lodge He's older wiser and one of the most handsome charming and funny men she's ever met Izzie is instantly smitten and after a wonderful time at the wedding she's certain she'll hear from Cabot again soon But she doesn't hear a word from him until she's back in Boston and invites him to dinner After yet another fantastic time together she's once again optimistic and once again disappointed when she gets nothing but silence from him Cabot has his reasons for keeping his distance After his former wife took off with their baby daughter he spent twenty five years looking for Mia who suddenly reappeared in his life as a grown woman with a new husband He's never been happier than since Mia returned but those twenty five years of searching left him with a deep well of bitterness that a sweet woman like Izzie doesn't need in her life Until Izzy is seriously injured in a car accident and all bets are off Bitterness aside Cabot can think of only getting to her as soon as he possibly can and staying with her for as long as she'll have him Now Izzy and Cabot are hunkered down in her cozy home in Vermont and things are starting to get real They'll both have to decide if their time together is a temporary interlude or the start of something lasting **Come Together**

Marie Force, 2021-07-13 Three years after his marriage ended in dramatic fashion Noah Coleman has one goal to steer clear of romantic entanglements In fact he steers clear of most human interaction studiously avoiding his large meddling extended family working until he's exhausted and then repeating the pattern day after day His strategy has worked well for him for years keeping him sealed off from anything that can cause him pain or angst Or it was working for him before his company was hired to rebuild the Admiral Butler Inn after a fire reduced it to rubble and he was forced to co-exist with the exasperatingly difficult gorgeous architect the inn's owner Mrs Hendricks hired to oversee the project While nursing a badly broken heart Brianna Esposito is determined to complete the Butler Inn construction under budget and on time and to make partner in the Boston firm where she's been working fourteen hours a day for five years Nothing is going to stop her from

achieving her goal especially a cranky contractor with the people skills of a rabid cougar Noah Coleman is the most exasperating human being she's ever had the misfortune to tangle with She's never had screaming fights with anyone the way she does him and the fact that he's also the sexiest man she's ever met makes it that much more difficult to hold her ground When Mrs Hendricks intervenes and orders the two of them to resolve their differences Brianna is stuck having dinner with the man she wants to stab one minute and kiss the next And will he ever tell her why he's so bitter and angry Brianna suspects the answer to that question could also be the key to his well protected heart Come back to Butler Vermont to find out if these two adversaries will give in to the sparks that've been flying between them for months or if they'll finally succeed in driving each other crazy

O'Dea, 2017-05-28 Books 1 3 in the series filled with human animal hybrids where class determines imprisonment or freedom Escape Every year after harvest the weakest are removed from the encampment None of them are ever seen or heard from again Trinity's only hope of escape lies in the forest She's not afraid of the creatures that live there There's nothing bigger than foxes in those woods except this time something is different This time she's hunted from land and sea by predators that should only exist in legends Surrounded by three enemies Surrender is her only option but which one should she choose A captivating dystopian read filled with human animal hybrids and creatures you've never even imagined Secrets In Blood The disturbing and yet exciting sequel to Lake of Sins Escape Having discovered the horrible fate of her kind Trinity has left her family behind and is fleeing from the Almighty's Her friends have promised to help her but they don't know that her blood holds a secret that some in power want revealed and others want destroyed Hugh Truent an Almighty learns that Trinity is a product of the mating of two different classes which is impossible but if it's true it's the discovery of a lifetime He must catch her before she is destroyed but someone will stop at nothing to ensure he fails putting his life and the lives of those he loves in danger Hangman's Army A rebellion is brewing in the world of the Lake of Sins while Hugh Truent sits in prison days away from his execution After taking his findings about the genetic similarities between the classes to the Supreme Almighty and the Council Hugh had been arrested for treason and all his evidence had vanished as if made from smoke To protect his family he cut off all contact with the outside world while he sat in prison for over four years waiting for his execution He has no idea that some of his reports were leaked to the other classes and that civil war looms on the horizon Trinity and her friends have no hope of winning the war unless they can unite the classes In order to do that they need someone everyone will follow They need the one person all the classes trust and believe in They need Hugh That means they have to break him out of a maximum security prison and convince him to lead their army but that won't be easy because Hugh wants revenge and he's not going to let anything get in his way especially mouthy attractive know it all Trinity Interview with the Author Q So why should someone read the Lake of Sins series Well because it's great smiles However if you're looking for your typical dystopian post apocalyptic survival thriller then you should look somewhere else This story has been described as a one of a kind world created in a unique dystopian society The characters in the series are human animal hybrids genetic mutations or evil experiments is yet to be revealed It's an entire new species of characters who don't fit in the typical genre categories of vampire werewolf witch fairies or even angels and demons The world of the Lake of Sins is segregated by class with the humans ruling supreme In book one Escape Trinity a sixteen year old Producer the lowest of the classes unwittingly sets off a collision between the classes when she flees into the forest to discover the fate of the teenagers who are removed from camp every year after harvest Some say they are taken to another camp to keep bloodlines strong Others say they are tortured No

one knows and Trinity is determined to find out but what she doesn't expect is to be hunted by mutant creatures and predators long thought to be extinct. The books are fast paced with adventure and mutated creatures around every corner. There are legends that are truth and societal truths that are well guarded lies. All in all it's a unique and exciting read and you should give it a try. I think you'll love it. The Chimera Chronicles series also takes place in the world of the Lake of Sins. These stories are prequels explaining how some of the characters who you meet in the Lake of Sins series became monsters. Q Who should read the Lake of Sins series? Although there's a strong female lead in Lake of Sins, the audience for both series is broad. I have fans male and female aged ten through eighty. Anyone who likes gory thrillers that are dark a little disturbing and packed with action will enjoy these books. However a word of caution is in order. These books are not for the squeamish. Some scenes are bloody and violent almost falling into the horror genre but the interactions between the characters are funny, poignant and loving and a love triangle develops as the stories progress. Still I wouldn't recommend these books to anyone under thirteen without the parents reading the books first.
