## **Treat Us Like Dogs And We Will Become Wolves:**

Treat Us Like Dogs and We Will Become Wolves Carolyn Chute, 2014-11-04 An intellectual page turner set in a secretive countercultural community by the author of *The Beans of Egypt* Maine O The Oprah Magazine It s the height of summer 1999 when local Maine newspaper the Record Sun receives numerous tipoffs from anonymous callers warning of violence weapons stockpiling and rampant child abuse at the nearby homeschool on Heart s Content Road Hungry to break into serious journalism Ivy Morelli sets out to meet the mysterious leader of the homeschool Gordon St Onge referred to by many as The Prophet Soon Ivy ingratiates herself into the sprawling Settlement a self sufficient counterculture community that many locals suspect to be a wild cult Despite her initial skepticism not to mention the Settlement s ever growing group of pregnant teenage girls Ivy finds herself irresistibly drawn to Gordon Then a newcomer a gifted disturbed young girl with wild orange hair joins the community and falls into a complicated relationship with the charismatic Prophet When the Record Sun finally runs its piece on the leader of the Settlement lives will be changed both within and beyond the community in this novel by a writer described by the New York Times Book Review as a James Joyce of the backcountry a Proust of rural society **Lions**

Bonnie Nadzam, 2016-07-05 The author of the critically acclaimed award winning debut novel *Lamb* returns with a story of haunted histories and broken promises O The Oprah Magazine Must Read Book of the Summer Set on the Colorado high plains the town of Lions is nearly deserted Built to be a glorious city it was never fit for farming mining trading or any of the industries its pioneers imagined The Walkers have been settled on its barren terrain for generations a simple family in a town still enthralled by promises of bigger better and brighter But when a stranger appears his unsettling presence sets off a chain reaction that will change the fates of everyone he encounters When the patriarch John Walker dies his son Gordon must choose between leaving for college with his girlfriend Leigh or staying with his family to look after their failing welding shop and carry on a mysterious family legacy While Leigh is desperate to make a better life in the world beyond Lions Gordon is strangely hesitant to leave it behind And as more families abandon the town it seems that listening to reason must come at the cost of betraying his own heart Nadzam weaves a strange and mesmerizing story that explores ambition and an American obsession with self improvement the responsibilities we have to ourselves and each other as well as the everyday illusions that pass for a life worth living Publishers Weekly **Goodnight, Beautiful Women** Anna Noyes, 2016-06-07

Interconnected stories of women of all ages If the fiction of Stephen King and Alice Munro had a literary love child it might look like this The Washington Post Moving along the Maine coast and beyond the stories in *Goodnight Beautiful Women* bring us into the sultry mysterious inner lives of New England women and girls as they navigate the dangers and struggles of their outer worlds With novelistic breadth and a quicksilver emotional intelligence Noyes explores the ruptures and vicissitudes of growing up and growing old and shines a light on our most uncomfortable impulses while masterfully charting the depths of our murky desires A woman watches her husband throw one by one their earthly possessions into the local quarry before

vanishing himself two girls from very different social classes find themselves deep in the throes of a punishing affair a motherless teenager is sexually awakened in the aftermath of a local trauma and a woman's guilt from a childhood lie about her intellectually disabled cousin reverberates into her married years Dark and brilliant rhythmic and lucid Goodnight Beautiful Women marks the arrival of a fearless and unique new young voice in American fiction Anna Noyes's stunning debut collection concerns girls and women struggling to break away dealing with burdens like mental illness and neglect that threaten to transform and define them The Wall Street Journal The Season's Most Exciting Fiction Reads *The Reading Life* Peter Bollen, 2022-12-11 Collected columns Reviews Interesting exclusive interviews with noted authors **Hidden**

**Places** Joseph Conforti, 2020-03-24 Across decades Maine has produced nationally recognized novelists of place based fiction From the late nineteenth century to the present writers have explored the experiences of living in far flung settings island and coastal villages northwoods lumbering communities unincorporated townships backcountry hamlets and mill cities and towns Taken together their body of work composes a remarkable literary map of a diverse and changing Maine Hidden Places explores the identity of Maine through its writers and the people and places they captured at moments in time Hidden Places traces the work of these writers to provoke readers into seeing and understanding Maine places with new awareness These Maine writers construe place as both a territory on the ground and a country of the imagination They help insiders see more clearly what is distinctive about their communities and encourage outsiders to better understand what might seem quaint or odd about the state Like a well drawn atlas Hidden Places seeks to capture a diverse state at the granular level one representation at a time It explores the identity of Maine through its writers and the people and places they wrote of

*Secrets Revealed* Shaneekqua Bell, 2018-03-30 Pedro awaits news about Sasha Previously she was kidnapped by a demon and taken to demon realm Daniel wants Sasha all to himself will she escape his realm and return to Pedro Will the rescue team get to her in time Is Quazeena going to assist the team in finding Sasha Who has secrets We all know that everyone has a past Whose secrets will make a difference Can the secret truth of the past change the present Will these secrets create bonds or break them We're going to find out in this book **The First Domestication** Raymond John Pierotti, Brandy R. Fogg, 2017-01-01 Raymond Pierotti and Brandy Fogg change the narrative about how wolves became dogs and in turn humanity's best friend Rather than recount how people mastered and tamed an aggressive dangerous species the authors describe coevolution and mutualism Wolves particularly ones shunned by their packs most likely initiated the relationship with Paleolithic humans forming bonds built on mutually recognized skills and emotional capacity This interdisciplinary study draws on sources from evolutionary biology as well as tribal and indigenous histories to produce an intelligent insightful and often unexpected story of cooperative hunting wolves protecting camps and wolf human companionship Dust jacket flap
