TRIAL BY FIRE JAVIER CLEMENTE ENGONGA AVOMO, Life gives us all difficult moments tests to overcome as obstacles on the way to an objective destination These tests if this is how they are perceived are the Trial by Fire In reality it is a permanent trial by fire that lasts from the first day to the last of our existence That is why there is no need to fight against life because it is as exhausting as swimming against the current In order to know how to live we must assume all possibilities as surmountable

THE TRIAL BY FIRE : MEMOIRS OF A COLLEGE PRINCIPAL G. Ramachandram, 2017-03-07 This autobiography is a rare story of the courage and the conviction of a person holding a position of power and authority taking on the high and the mighty refusing to buckle under pressure and do what is unethical and illegal risking his career time and again The author had a journey in defiance fighting relentlessly against the corrupt system During his two decades long tenure he had to quite often face the trials by fire in order to secure his college with a solid foundation of perennial values transparency and commitment to truth The autobiography is in four parts Part I Blissful ignorance narrates the life of a rustic village boy and how he transformed Part II Awakening is about the author's struggle to find meaning and purpose for existence and becoming a teacher by accident Part III Rise is regarding his appointment as the Principal the conspiracy to scuttle the appointment and his legal battles Part IV Turbulence is about his uninterrupted nerve racking duel with multiple authorities to reinstate the truth and justice and protect the institution of Principal And by taking a high moral ground and displaying mental toughness he weathered a turbulent period of calculated verbal assaults aimed at making him dispirited and crippled This is the first time that such an autobiography is penned by the Head of any educational institution giving a gripping account of his torrid times The book makes an interesting and inspirational reading It is rich engaging and very truthful The heads of educational institutions particularly the future generation of academic administrators will profit by the book

Sati, the Blessing and the Curse John Stratton Hawley, 1994-09-08 Several years ago in Rajasthan an eighteen year old woman was burned on her husband's funeral pyre and thus became sati Before ascending the pyre she was expected to deliver both blessings and curses blessings to guard her family and clan for many generations and curses to prevent anyone from thwarting her desire to die Sati also means blessing and curse in a broader sense To those who revere it sati symbolizes ultimate loyalty and self sacrifice It often figures near the core of a Hindu identity that feels embattled in a modern world Yet to those who deplore it sati is a curse a violation of every woman's womanhood It is murder mystified and as such the symbol of precisely what Hinduism should not
