Tardy, 2015-06-17 Excerpt from Trials and Triumphs an Autobiography It has not been my privilege to read the chapters of this book for which I am writing this foreword and yet I count it a privilege even before reading the book to give it my most cordial commendation because of my personal knowledge of its nobly brilliant author the Rev William Thomas Tardy That prince of preachers and teachers Dr John A Broadus after an interview that he once had with the world famed inventor Mr Thomas A Edison said I was doubly anxious to see Mr Edison because the man himself is always greater than anything he can say or do Such saying may preeminently be applied to the author of this Autobiography Brilliant and challenging and inspirational as its chapters will be to all who read them their author was himself far greater than anything he ever said or did He has been an outstanding man from the early morning of his manhood His life has been wide reaching in its inspiration and helpfulness even from the days of his youth His range of reading was wide and his opinions and convictions were always clearly and fearlessly expressed Vast numbers eagerly awaited his utterances whether from his pen or tongue and were greatly profited by them Both as a speaker and as a writer he possessed extraordinary gifts As a minister of the Gospel of Christ and as a citizen of the State his brilliant powers were unreservedly dedicated to the good of his fellows and the glory of his Master His life and labors take on a still more challenging meaning when it is remembered that for years he was sorely afflicted so much so that he had to dictate all his writings and to make all his addresses from an invalid's chair About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works TRIALS & TRIUMPHS AN AUTOBIOG William Thomas 1874-1919 Tardy, J. Memoir of Mr. E. E. To which is added the Triumph of Truth, etc Edward ELWALL,1808 **Triumph of Faith, Or, Memoir of Miss Nancy M. Clark: Destined on a Mission to Western Asia, Under the Direction of the American Board** Anonymous,2024-06-12 Reprint of the original first published in 1840 Holy Boldness Susie C. Stanley,2004-05 From its inception in the nineteenth century the Wesleyan Holiness religious tradition has offered an alternative construction of gender and supported the equality of the sexes In Holy Boldness Susie C Stanley provides a comprehensive analysis of spiritual autobiographies by thirty four American Wesleyan Holiness women preachers published between the mid nineteenth and mid twentieth centuries While a few of these women primarily African Americans have been added to the canon of American women s autobiography Stanley argues for the expansion of the canon to incorporate the majority of the women in her study She reveals how these empowered women carried out public ministries on behalf of evangelism and social justice The defining doctrine of the Wesleyan Holiness tradition is the belief in sanctification or experiencing a state of holiness

Stanley's analysis illuminates how the concept of the sanctified self inspired women to break out of the narrow confines of the traditional women's sphere and engage in public ministries from preaching at camp meetings and revivals to ministering in prisons and tenements. Moreover, as a result of the Wesleyan Holiness emphasis on experience as a valid source of theology, many women preachers turned to autobiography as a way to share their spiritual quest and religiously motivated activities with others. In such writings, these preachers focused on the events that shaped their spiritual growth and their calling to ministry, often giving only the barest details of their personal lives. Thus *Holy Boldness* is not a collective biography of these women but rather an exploration of how sanctification influenced their evangelistic and social ministries. Using the tools of feminist theory and autobiographical analysis in addition to historical and theological interpretation, Stanley traces a trajectory of Christian women's autobiographies and introduces many previously unknown spiritual autobiographies that will expand our understanding of Christian spirituality in nineteenth and twentieth century America. The author, Susie C. Stanley, is professor of historical theology at Messiah College. She is the author of *Feminist Pillar of Fire: The Life of Alma White*.
