The FKing Book** Allan Wood, 2006-10-03 These writings are a celebration of the evolution of our habitat and its inhabitants from time immemorial to present day Together with our singular appreciation for the most spoken word of all time a word that conveys different emotions has multiple meanings a word that is never used out of context always grammatically correct spans cultural geographical political and national barriers brings all communications to a level playing field This book is dedicated to everyone who is misguided enough to believe the world has evolved naturally Hopefully once reading this literary milestone you will come to realise this world's original inhabitants were put here by some Universal Interplanetary Council Correctional Department to facilitate their rehabilitation all of these early settlers were undoubtedly mentally and/or criminally insane and have unwittingly spawned what we know today as a seething mass of institutionalised and certifiable nutters of which you are undoubtedly one *All Downhill From Here* Paul Waters, 2021-04-15 Paul and Simon hardly know each other In fact Simon thinks Paul is a bit of a % So they're both surprised when after a few drinks in the pub one evening they agree to take on Britain's most famous cycling challenge together 900 miles from Land's End to John o Groats Especially since they are both novice cyclists Somehow they persuade their partners Bek and Kirsty to give up their summer holidays to drive the length of Britain twice in the role of support crew But when the car breaks down driving to the start line the omens don't look good for a smooth ride What follows is a hilarious but life affirming adventure full of mishaps

arguments and a bit too much alcohol on Simon's part as they journey up and down through the best and worst that Britain has to offer headwinds against them all the way All Downhill From Here tells the story of their journey how it sowed the seeds for a lifelong friendship and many more big adventures Based on these experiences Paul has included a section full of useful advice and insights for anyone new to long distance cycling and wanting to conquer the famous Land's End to John o Groats bike ride or other similar challenges
