O. McBride,2003-05-28 Are you one of the millions who has spent many pleasant hours reading about Nero Wolfe converting the calories from his gourmet dining albeit grudgingly into mental energy to solve a murder If you have traipsed through that morass of neuroses idiosyncrasies and obsessive compulsive behaviors you must have questions Did you know that while Wolfe usually tilts the scales near one seventh of a ton he may once have weighed less than his svelte associate Archie Goodwin Or how many times the unbreakable rules of the house are broken Or why Fritz speaks French although he s not from France Or how many bullet and knife wounds Wolfe carries on his normally sedentary carcass Or what Inspector Cramer s first name is Or how the characters evolved over the four decades of their existence This book will provide you with the answers to those questions and a thousand others I hope you find it satisfactory Sequels Janet G. The Dragon's Wolf Lily Winter, 2020-11-03 What would happen to a dragon if her mate refused her This was the question that plagued Kayda I d barely come to terms with the possibility that I d be inexplicably and unintentionally be drawn to someone I barely knew I d struggled to understand how I could have a need for someone when I d always been so independent before And I had no idea what was supposed to happen next Honestly I d feel more comfortable with a blood sacrifice to Satanists than I would being tied to a wolf shifter Or any shifter Or any man Trusting men was how I ended up like this I couldn t believe I d been so easily duped And trusting my dragon didn t seem much safer Yet here I was longing for Arrow the most difficult being I d ever encountered He didn t want me I could tell There was no light in his eyes when he met my gaze He shied from my touch He kept his distance but I refused to keep mine Arrow Wolves mate for life I d already found my mate We d had it really good for a while until she died while giving birth to our child In an instant I lost both of them I wanted to die too Apparently my suffering wasn t over yet because I was mostly surviving I struggled to get through every day Luckily I was kept busy with work This sense of purpose kept me functioning even if I was going through life without really living When I d get really depressed I d remember happier times Those were over One mate For life I mostly waited to die Then I was saddled with a new job The rescue mission had been a success Kayda was free but my work was far from over I was supposed to look out for her while her sister was enjoying her wedding I took her to Florida to pick up a car left there previously by Gideon We spoke to a medium While I never placed much stock in that kind of thing that seemed to be the only area where Kayda and I agreed We weren t meant to travel the same path We were tolerating each other for as long as was necessary
