We Are Called David Haas:

Preaching to a Multi-generational Assembly Andrew-Carl Wisdom, 2004 With the acceleration of technological change new and distinct generations are created faster than before Generational boundaries become more fluid Multiple age groups have different generational mindsets distinct worldviews and varied spiritual needs How then do preachers speak to congregations that comprise four to five separate generations Preaching to a Multi generational Assembly addresses how to effectively and credibly preach to all generations at the same time In Preaching to a Multi generational Assembly Andrew Cal Wisdom offers a credible new homiletic model to make Catholic preaching more exciting accessible and effective for both the assembly and preacher by making it more generationally relevant He reflects upon the current state of preaching through Catholic and Protestant voices He argues from communication theory that generation is a subculture like ethnicity and race and should be seriously considered in homiletic preparation He applies contemporary marketing segmentation theory to preaching in proposing a qualified generational segmentation of the Sunday assembly Finally he combines both theories to demonstrate both the opportunity and viability of intergenerational preaching in a Catholic context Chapters are Why Effective Preaching Is a Priority The Problem The Genesis of the Catholic Homily Intergenerational Preaching as a Sacred Dance Between Culture Language and Meaning What the Preacher Can Learn from the Marketer The Catholic Sacramental Imagination A Generational Bridge Does It Work The Mechanics of Intergenerational Preaching and So What Includes tales graphs and a conclusion with practical suggestions on how to become an effective and credible intergenerational preacher

Welch, 2013-12-01 The inspiring story of a single woman who adopts two children from Ukraine who are suffering from trauma and PTSD Healing Emotional Wounds A Story of Overcoming the Long Hard Road to Recovery from Abuse and Abandonment is a compelling chronicle of metamorphosis that gives testament to the power of love encouragement and resolve over the desperate circumstances of abuse neglect and abandonment This unvarnished story recounts Nancy s journey to adopt and parent Alyona and Alec two six year old children from Ukraine The drama of the family s first seven years reads like fiction but Alyona and Alec s stories are all too real Alec was born prematurely to a substance abusing mother who spent the early part of his life swathed in a blanket cocoon almost devoid of human touch Alyona was found on the streets at age four or five and returned to the orphanage by her Italian adoptive family after only six weeks due to her aggressive behavior Though single and in her fifties Nancy feels called to adopt these children What she discovers once she brings them home to America from Ukraine is that parenting two children with a history of abuse and abandonment will be the greatest most rewarding challenge of her life But the real heroes of this memoir are Alyona and Alec who emerge from
