*Weekdays 2017: The Almanac for Pastoral Liturgy* Leisa Anslinger, 2016      **Preaching Romans** Frank J. Matera, 2013-02-22

Although Paul's letter to the Romans is the most theologically charged writing of the New Testament it is rarely preached from Catholic pulpits. Perhaps some of the Pauline themes Redemption and sanctification justification and reconciliation resurrection and parousia seem too daunting for homiletic purposes. Not so insists Frank Matera who has learned to preach in a Pauline key that has invigorated the whole of his preaching. Homilists who heretofore have avoided Romans will appreciate Matera's insights on this text that open innovative and important ways of proclaiming the gospel. This slender volume is a gift to homilists who wish to preach from Romans with greater confidence. And to proclaim Paul's theologically rich and assuring message of God's saving grace. Frank J. Matera is the Andrews Kelly Ryan Professor of Biblical Studies at the Catholic University of America. A former president of the Catholic Biblical Association of America he has published commentaries on Romans 2 Corinthians and Galatians and has written books on New Testament Theology New Testament Christology and New Testament Ethics. Matera's previous works published by Liturgical Press include Galatians in the Sacra Pagina series and Strategies for Preaching Paul.

*Finding Your Way Around Common Worship* Mark Earey, 2014-12-08 The ultimate beginner's guide to Common Worship with explanations of every book in the series all the services in use and what you should use when.

**Weekday Saints** Mark G. Boyer, 2014-10-21 The Roman Catholic Church issued its first modern one volume Lectionary a book of biblical texts assigned for every day of the year in 1970 in response to the Second Vatican Council's call for a greater fare of Scripture during Mass. By the time the Lectionary was revised and published between 1998 and 2002 it had grown to four volumes. Because of the revision many weekday celebrations of saints were assigned texts that had not been so in the 1970 Lectionary. Because of the Lectionary's success many other Christian denominations adopted and adapted the Lectionary to fit their own needs. Thus Anglicans Episcopalians Presbyterians Methodists Lutherans and many others began to use the Lectionary. In those churches that have weekday services the same Scripture texts may be heard along with the same celebration of a saint. This volume provides reflections on the proper biblical passages for weekday saints. Any member of a Christian congregation marking the celebration of a saint on a weekday will find these reflections on the Scripture texts assigned to a particular saint very helpful.

Unbound By Time William Holladay, 2002-06-25 In this timely and highly readable volume Old Testament scholar William Holladay introduces the reader to the several ways in which Isaiah speaks from ancient Jewish readings of the text to Handel's lyrical use of it in his oratorio Messiah to the Christian community who has heard it foretelling the life and death of Jesus Christ. Holladay argues persuasively that the text of Isaiah though rooted in historical time place circumstance is unbound by time. Using those portions of the prophet's writings which are most often included in the various modern lectionaries of the churches Holladay both provides detailed historical commentary and presents a method for allowing the text to still speak to believers in the twenty first century.
