

FOREWORD

This manual contains an introductory description of the SUZUKI SC9000 and procedures for its inspection/maintenance and correction of its main components.

(Other information associated as previously stated is not included.)

Read the GENERAL INFORMATION section to become familiar with the motorcycle and its main features. Use this section as well as other sections to use as a guide for proper inspection and service. This manual will help you know the motorcycle better so that you can ensure your satisfaction of best available service.

* This manual has been prepared on the basis of the latest specifications at the time of publication. If modifications have been made since then, references may exist between the content of this manual and the actual motorcycle.

* Illustrations in this manual are used to show the basic principles of operation and work procedures. They may not represent the actual motorcycle exactly in detail.

* This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

5

Inexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual.

Improper repair may result in injury to the mechanics and may render the motorcycle unsafe for the rider and passengers.
