Suzuki Suzuki, Motor Co. Ltd, 1977 **Suzuki Two-Stroke** Bacon, 1998 Aside from the odd four stroke built in their formative years it wasn't until 1976 that Suzuki manufactured such machines in significant numbers Until then it was two strokes all the way These models many of which were the basis of successful racers carried names like Titan Cobra Sebring LeMans Kettle and Water Buffalo along with their codes The author examines these models and others providing the reader with Extensive specification tables highlighting the variations in seemingly similar models Information to help the reader match model and marketing codes essential when ordering parts or servicing a machine A model chart that matches full codes to their exact year shows the years in which models were built and explains the relationship between similar codes Also included is the RE5 with its rotary engine and unique styling and Suzuki's minute but complex road racers which carried as many as 14 speeds in their gearboxes Illustrated throughout with black and white photographs of the models and their variants
