Going Solo G. Stuart Smith,2011-05-30 The traditional model of video news reporting has always had two separate roles reporting and videography For years however small market news outlets have relied on one man bands individual reporters who shoot and edit their own video for stories and footage Lately as the journalism landscape has evolved this controversial practice has grown more and more popular With the use of video constantly expanding many large market TV stations networks and newspaper Web sites are relying on one person to carry out a job formerly executed by two News outlets now call these contributors VJs digital journalists backpack journalists or mobile journalists But no matter what they are called there s no denying the growing significance of solo videojournalists to the media landscape Going Solo Doing Videojournalism in the

21st Century details the controversy history and rise of this news genre but its main objective is to show aspiring videojournalists how to learn the craft While other textbooks depict the conventional reporter and videographer model Going Solo innovates by teaching readers how to successfully juggle the skills traditionally required of two different people Award winning journalist G Stuart Smith begins by describing how and why the media s use of solo videojournalists is growing then delves into the controversy over whether one person can cover a story as well as two He illuminates how together the downsizing of the media downturn in the economy and growth of video on the Web have led to the rise of the solo videojournalist model Going Solo profiles TV stations and newspaper Web operations across the country that are using the model and offers helpful advice from VJs in the field The book presents useful guidelines on how to multitask as a reporter videographer conducting interviews shooting cover video and writing and editing a good video story Readers will also learn how to produce non narrated stories and market themselves in a competitive field Smith who started his career as a one man band insightfully covers an area of journalism that despite its growing market demand has received little academic attention Going Solo Doing Videojournalism in the 21st Century is useful for students learning the basics and those already in the field who need to upgrade their skills By presenting industry know how and valuable tips this unique guidebook can help any enterprising videojournalist create a niche for him or herself in the increasingly fragmented news media market **Make Money Online with your Videos** Jeffrey Dennis,2022-12-22 Make Money Online with your Videos A complete guide to creating and selling stock video footage at microstock agencies If you re one of the millions who own a camera you can create residual passive income for life doing what you love Turn your passion for video photography from hobby to a professional and profitable online business Make Money Online with your Videos guides you in creating and selling your videos through top ranked microstock agencies The down to earth no nonsense step by step approach makes it easier than ever You will learn how to Claim your stake in the multimillion dollar a year stock footage industry Create your videos once and sell indefinitely Choose the best video and computer equipment Get the most out of your camera Capture better compositions and choose subjects that sell Be a better videographer Choose the best software tools to process and upload your videos with ease Drive more customer traffic to your videos for higher sales Gain a competitive Jeff s book gives a great insight on the how where why to get started in stock footage Well worth the time and money to read this great get started book Don Despain RekindlePhoto Pond5 Artist Producer Want to learn more If you re ready to start profiting with you camera Make Money Online with your Videos will show you how so don t waste another moment Just scroll to the top of the page and hit the Buy Now button [Vegas Pro 8 Editing Workshop](#) Douglas Spotted Eagle,2008-03-26 Master the Vegas Pro 8 toolset including its industry leading HD and audio capabilities This comprehensive guide delivers the nuts and bolts of the essential tasks from installing the application to outputting together with practical editing techniques and real world examples for working more efficiently Packed with all the necessary materials including video footage sequences and detailed instructions
