

PRIZE GIVING SPEECH - 2011

Madam Chairman, special guests, Governors, ladies and gentlemen, members of staff past and present, and students, both past and present, I am delighted to welcome you all to our annual Prize Giving held, as has become traditional, in the magnificent setting of the Liverpool Cathedral.

Once again, I will try to attempt to recognise just some of the achievements of our Belvedere Girls as we reflect on the 2010/11 Academic Year.

But before we begin I would like to welcome to the cathedral and, indeed, to our great city of Liverpool, the Chief Executive of Girls Days School Trust, Helen Fraser.

As you will see from your programme notes, Helen joined the GDST as Chief Executive in January 2010 after almost 40 years in book publishing, most recently as managing director of Penguin books.

Helen won a scholarship to Oxford where she read English Language and Literature, leaving with a first class degree in 1970. She was awarded a CBE for Services to Publishing in the New Years Honours of 2010 and now leads the GDST who are the largest single educator of girls in the UK with 24 outstanding girls' independent schools and two equally outstanding Academies, Belvedere and Birkenhead. The GDST is also the largest educational charity in the country.

Welcome Address On A Prize Giving Day:

Felimanuel Series Emmanuel Gbireh, 2012 It is chiefly through books that we enjoy intercourse with superior minds In the best books great men talk to us give us their most precious thoughts and pour their souls into ours God be thanked for books They are the voices of the distant and the dead and make us heirs of the spiritual life of past ages Books are true levelers They give to all who will faithfully use them the spiritual presence of the best and greatest of our race William Ellery Channing Some of the things you will discover in Felimanuel Series The Magical Secret to Success in English Language Essay Writing for Junior and Senior High Schools Volume 1 With Bonus Success Secrets The book is comprehensively logically and coherently written and the language used is also easy to understand hence little or no further explanation is needed The book teaches how to choose examination questions and answer them without sweat Sample outlines plans and sample essays have been written to guide pupils and students The bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science The bonus success secrets will also guide pupils and students towards the attainment of greater success in life The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day to day life of whoever uses it faithfully In writing this book on English Language essay writing I decided to move away from the traditional way of some authors flooding their English Language essay writing books with so many sample essays based on my experiences as an English teacher some years back Many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality I stand to be corrected if I am mistaken It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After high lighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this

opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil stude

Daily Graphic Elvis D. Aryeh,2002-07-18 **Events Management** Charles Bladen,James Kennell,Emma Abson,Nick

Wilde, 2012-06-12 Contemporary events management is a diverse and challenging field. This major new introductory textbook is the first to fully explore the multi-disciplinary nature of events management and to provide all the practical skills and professional knowledge students need to succeed in the events industry. The book covers every type of event studied on an Events Management course including sports, music, the arts, corporate events, tourism and the public and voluntary sectors. It introduces the key issues facing the contemporary events industry from health, safety and risk management to sustainability to developing a market-oriented business, with every topic brought to life through case studies, personal biographies and examples of best practice. Written by a team of authors with many years of industry experience, it introduces the practical skills required in every core area of events management including marketing, finance, project management, strategy, operations, event design and human resources. A companion website for the book includes a dazzling array of additional features including self-test questions, audio interviews with key industry figures, additional case studies and PowerPoint slides for each chapter. Events Management: An Introduction is the essential course text for any events management program.
