

Dear Homer,

Congratulations, and welcome to our team. You were our final choice of 2 applicants. We chose you because of your willingness to work with radioactive materials and your apparent lack of self-preservation instinct.

We're looking forward to seeing you on Friday, April 1, at 6 am for your training.

When you arrive, ask for Lenny, who will be leading your training. Be sure to bring donuts and a lunch.

Also, you'll want to wear a tie and something that will be comfortable under a hazmat suit. During your first day, you can expect to handle nuclear materials, and be responsible for the safety and well being of the entire population of Springfield.

Good luck!

Mr. Smithers
