Welding Skills Workbook:

Welding Skills B. J. Moniz, 2015 *Welding Skills* is an industry leading textbook designed to provide the essential knowledge and skill building exercises necessary to succeed in today's welding industry. This easy to comprehend textbook features hundreds of full color illustrations and application photos to illustrate key concepts while easy to use charts consolidate key information for quick reference.

Welding Skills Workbook, 2010 The *Welding Skills Workbook* supplements and reinforces textbook content. Review questions test comprehension of key concepts covered in each chapter of the text. A variety of practical exercises covering the major welding processes help to develop essential welding skills. Activities include practice with single and multiple pass fillet and groove welds in all welding positions as well as practice in cutting techniques associated with oxyfuel plasma arc and air carbon arc cutting.
