West Side Story Screenplay:

Guidebook to Film Ronald Gottesman, Harry M. Geduld, 1972 *West Side Story* Ernest Lehman, 2003 Ernest Lehman's screenplay of the motion picture with accompanying promotional material Bodies of Sound Susan C. Cook, Sherril Dodds, 2016-04-08 From the ragtime one step of the early twentieth century to the contemporary practices of youth club cultures popular dance and music are inextricably linked This collection reveals the intimate connections between the corporeal and the sonic in the creation transmission and reception of popular dance and music which is imagined here as bodies of sound The volume provokes a wide ranging interdisciplinary conversation that includes scholarship from Asia Europe and the United States which explores topics from the nineteenth century through to the present day and engages with practices at local national and transnational levels In Part I Constructing the Popular the authors explore how categories of popular music and dance are constructed and de stabilized and their proclivity to appropriate and re imagine cultural forms and meanings In Part II Authenticity Revival and Reinvention the authors examine how popular forms produce and manipulate identities and meanings through their attraction to and departure from cultural traditions In Part III Re Framing Value the authors interrogate how values are inscribed silenced rearticulated and capitalized through popular music and dance And in Part IV Politics of the Popular the authors read the popular as a site of political negotiation and transformation
