West Side Story

Drama—Musicals

Amusical is a play in which most of the plot is told through singing and dancing. *West Side Story* was a very popular musical performed on stage in front of an audience, but was made into a movie in 1961. *West Side Story* is a remake of *Romeo and Juliet*, but instead of the Montagues fighting the Capulets, this modernized version is about two rival gangs in New York City in the 1950s. In this story, Tony is a member of a gang called the Jets, while the woman he loves, Maria, is the sister of a member of a different gang, the Sharks. The Jets and the Sharks battle for territory of New York streets, but racial differences also give them cause to fight – the Jets are white, while the Sharks are Puerto Rican immigrants.

While you watch the movie, you must take notes on this sheet (both front and back). On one side, write down any questions or interesting observations about the movie. On the other side, write down similarities you observe between *West Side Story* and *Romeo and Juliet*. The movie is long, so work on the front page today; you can use the back side of this sheet for the rest of the movie.
