What a Carve Up!, 2016 **The Winshaw Legacy** Jonathan Coe, 1996-01-03 If Charles Dickens and Agatha Christie had ever managed to collaborate they might have produced this shamelessly entertaining novel which introduces readers to what may be the most powerful family in England and is certainly the vilest A tour de force of menace malicious comedy and torrential social bile this book marks the American debut of an extraordinary writer **The Winshaw Legacy** Jonathan Coe, 1994 During the summer of 1990 a young writer pieces together the true story of the Winshaw dynasty a family of greedy power hungry bankers politicians arms dealers and more a story that begins to converge with the plot of a film created nearly thirty years earlier **A Reading of "What a Carve Up!" by Jonathan Coe** Nathalie Debeve, 2000

Power in Politics and Academia in Jonathan Coe's Novels Denisa Dumitrascu, 2018-04-18 This book explores the intricate manifestations of contemporary power its related ideology and the resistance and reaction to the dominant discourse in Jonathan Coe's political fiction covering the dismantling of the British social democratic consensus Thatcherism and Blairism up to the new ideology of Globalism Beyond the predictable dichotomy of support opposition to power the book argues the modern individual seems to have found another ontological approach for which it coins the concept of intentional unpower Furthermore it demonstrates that there are three possibilities regarding the evolution of this type of social response and invites the readers to discover them while enjoying Coe's subtlety and humour Given its broad approach the book will appeal to researchers in a wide range of domains including literary and cultural studies political theory and sociology as well as any reader fascinated with the essence of power intellectual response and discourses containing their own elements of subversion **Understanding Jonathan Coe** Merritt Moseley, 2016-07-30 An examination of the life career and oeuvre of the British novelist and biographer In *Understanding Jonathan Coe* the first full length study of the British novelist Merritt Moseley surveys a writer whose experimental technique has become increasingly well received and critically admired Coe is the recipient of the John Llewellyn Rhys Prize the Prix Medicis the Priz du Meilleur Livre Etranger the Bollinger Everyman Wodehouse Prizes for Fiction and the Samuel Johnson Prize for Nonfiction His oeuvre includes eleven novels and three biographies two of famous Hollywood actors Humphrey Bogart and Jimmy Stewart and one of English modernist novelist B S Johnson Following an introductory overview of Coe's life and career Moseley examines Coe's complex engagement with popular culture his experimental technique his political satire and his broad canvased depictions of British society Though his first three books *An Accidental Woman* *A Touch of Love* and *The Dwarves of Death* received little notice upon publication Moseley shows their strengths as literary works and as precursors In 1994 Coe gained visibility with *What a Carve Up* which has remained his most admired and discussed novel He has since published a postmodern take on sleep disorders and university students *The House of Sleep* a two volume roman fleuve consisting of *The Rotters Club* and *The Closed Circle* a touching account of a lonely woman's life *The Rain before It Falls* a satiric vision of a misguided life *The Terrible Privacy* of

Maxwell Sim and a domestic comedy thriller set at the 1958 world's fair in Brussels Expo 58 Moseley explicates these works and discusses the recurring features of Coe's fiction: political consciousness, a deep artistic concern with the form of fiction and comedy.

Modernism - Dada - Postmodernism Richard Sheppard, 2000 Modernism Dada Postmodernism collects, updates, integrates and contextualizes the critic Richard Sheppard's essays on the historical avant-garde. Sheppard's topic in all of these essays is the modernist writers, artists and philosophers' linguistic and visual responses to a changed sense of reality and human nature. Beginning with an overview of the problematics of European modernism, Sheppard establishes the dialectical relationship between the cultural crisis that occurred during the period 1880-1936 and the different responses from European modernists and the avant-garde. With its combination of classic and new essays and its perspective on the theoretical avant-garde/modernism debate in the United States, Sheppard's volume should give the specialist as well as the general reader an insight into the highest sample of European scholarly discourse on this subject.

Jonathan Coe Philip Tew, 2018-03-22 In novels such as *What A Carve Up* and *The Rotters Club*, Jonathan Coe has established himself as one of the great satirical writers of our time. Covering all of his major novels, including his most recent book *Number 11*, Jonathan Coe's *Contemporary British Satire* includes chapters by leading and emerging scholars of contemporary British writing. Jonathan Coe Vanessa Guignery, 2015-12-01 Jonathan Coe is one of the most popular and critically acclaimed contemporary British writers. This comprehensive introduction places his work in clear historical and theoretical context, offering extensive readings of the author's ten novels from *The Accidental Woman* to *Expo 58*, including the remarkable *What a Carve Up*. The book explores Coe's biography and his experimentations with narrative genre and comedy, as well as his thematic preoccupations with history, memory, loss and nostalgia. The first volume devoted entirely to Coe, this book includes a supporting timeline of key dates in literature and current events, an examination of the critical reception to Coe's works, and an exclusive interview with Jonathan Coe himself.

The Closed Circle Jonathan Coe, 2008-05-19 Discover bestselling author Jonathan Coe's hilarious sequel to *The Rotters Club*. It's the end of the century and Benjamin Trotter and friends are all grown up. Life is a ceaseless whirl of jobs, marriages, kids and self-inflicted angst. Despite the shiny optimism of Blair's Britain, youthful hopes and dreams feel betrayed. Is the Government, and by extension Benjamin's MP brother Paul, to blame? Or are the Rotters themselves only passingly faithful to their dreams, really at fault? *The Closed Circle* depicts a group of former school friends as older, wiser and disillusioned in Blair's Britain at the turn of the millennium, proving that the present can never truly be disentangled from the past. THE STORY CONTINUES IN MIDDLE ENGLAND.

_____ Terrific. An incisive portrait of Britain at the turn of the century. *Spectator*. Coe's finest achievement since *What a Carve up*. Time Out. Popular fiction at its best. *Daily Mail*. Written with his signature wit. Jonathan Coe's unmissable new novel *The Proof of My Innocence* is available to order now.

including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present
