The story is a historical presentation of decisions that were made by political and religious leaders dating back to the early 17th century that would eventually lead to the sad state of the modern-day African American. A positive solution to the problem will be presented that will give all Americans hope that each of the four gaps can eventually be closed. Thus, the story is based on a problem-solution format. The book will answer the question: are all men created equal? *Consumer Interests Annual* American Council on Consumer Interests. Conference, 1998 Handbook of Research on Reinventing Economies and Organizations Following a Global Health Crisis Costa, Teresa Gomes da, Lisboa, Inês, Teixeira, Nuno Miguel, 2021-06-11 Due to the global health crisis, economies had to adapt to combat pandemic situations. In the present pandemic crisis, new legislation, methods, labor approaches, values, and social behaviors have emerged with a huge impact in all organizations. However, countries have applied different solutions, procedures, and rules to deal with crises. Therefore, the impact has been different per country. Organizations need to understand their customers and businesses not only to increase operational efficiency but also to increase stakeholders' satisfaction and their competitiveness in a sustainable way. Customers are becoming more exigent, and markets more complex, calling for the need for higher differentiation. This was enhanced in this pandemic situation, and to survive, organizations needed to change and adapt to the new normal. The *Handbook of Research on Reinventing Economies and Organizations Following a Global Health Crisis* deals with management and economic issues, particularly with the reinvention of businesses.
