Early Adulthood

People have difficulties on their path to maturity, and they need the constant presence of lively and energetic young adults. In my early adulthood, I will concentrate on developing my travel abilities and need to complete this adventure stage. The capacity to adapt to change is crucial, as is building a community of people with whom to connect and avoid the loneliness that so frequently comes with becoming older. I will also underscore the importance of building connections that will make me happy in my life. Pipher (2020) says that women's friendships, in particular, may provide consolation and pleasure and that companions and families can provide safe zones for individuals whose unions have endured into old age. As the author claims, one of the main advantages of old age is the loss of "false identities" held earlier in life and the development of a complete and authentic self (Pipher, 2020). Caring in this book is guaranteed to appeal to women in their fifties and sixties. In my instance, I have no prior experience with middle adulthood and hence have no more information.

Middle Adulthood

Life gets increasingly challenging for women transitioning from mid-thirties to old age. As the community undervalues images of women and brains, loss, including death, is becoming the new norm. In general, this is the period when I must accept my identity. Pipher (2020) observes that she completely embraces her identity when a woman ages. It is critical to figure out how to appreciate your previous position more proactively and

Narrative Podcasting in an Age of Obsession Neil Verma, 2024-06-03 It has been a decade since Serial brought the narrative podcast to the center of popular culture In that time there has been an enormous boom in the production of podcasts that tell stories particularly in the fields of true crime storytelling history and narrative fiction Now that the initial glow around the medium has begun to fade it is time to reevaluate the medium's technological political economic and cultural rise in particular what types of storytelling accompanied that rise Narrative Podcasting in an Age of Obsession is the first book to look back on this prodigious body of material and attempt to make sense of it from a structural historical and analytic point of view Focusing on more than 350 podcasts and other audio works released between Serial and the COVID pandemic the book explores why so many of these podcasts seem obsessed with obsession why they focus not only on informing listeners but also dramatizing the labor that goes into it and why fiction podcasts work so hard to prove they are a brand new form even as they revive features of radio from decades gone by This work also examines the industry's reckoning with its own implication in systemic racism misogyny and other forms of discrimination Employing innovative new critical techniques for close listening including pitch tracking software and spectrograms Narrative Podcasting in an Age of Obsession makes a major contribution to podcast studies and media studies more broadly
