**Pennsylvania Dutch Cook Book** J. George Frederick, 2012-05-07 Visitors to the Pennsylvania Dutch country in Pennsylvania are usually delighted with the unique food tradition that survives there among the hills and small well tended farms Ultimately based on the rich cookery of the peasants and small townspeople of the Rhineland and Switzerland Dutch cookery has expanded into the new foodstuffs and materials that America has to offer and it is one of the gastronomic treats of the country Dishes such as apple soup baked bananas Dutch liver dumplings spaetzle and braten walnut shad and oyster peppers are enjoyed by almost everyone One of the difficulties about Dutch cookery however is that it always has been a home cooking style within a closely knit community and it does not go by cookbooks Until this book appeared the best that one could do was to try to cadge an occasional recipe from a Dutch acquaintance or a local inn Mr George Frederick one time president of the Gourmet Society of New York was in an unmatched position to record the delights of Dutch cookery Himself a native Pennsylvania Dutchman with access to countless kitchens and family cooking secrets he was also a gourmet of international stature He has gathered together 358 recipes that show the Dutch tradition at its strongest all dishes with the unique savor that distinguishes them from their occasional counterparts in other cooking systems His book is so good that it in turn has been taken over by many Pennsylvania resorts as the official cookbook To list only a few of the mouthwatering recipes that Mr Frederick gives in clear accurate recipes that you can prepare Dutch spiced cucumbers raspberry sago soup pretzel soup squab with dumplings Nazareth shrimp wiggle Dutch beer eel sherry sauerkraut cheese custard currant cakes and many fine dumplings pancakes and soups All types of food are covered *The Nut Kernel*, 2002 *Coal Dust on Your Feet* Janet MacGaffey, 2013-09-05 *Coal Dust on Your Feet* is a historical ethnography of Shamokin Pennsylvania and its surrounding borough of Coal Township This anthracite coal fueled the industrial revolution and its miners generated the rise of organized labor both of which make the region of northeast Pennsylvania one of great economic and historic importance The ethnographic field site of the study spans a century and a half as it looks at the history and ties to the home countries of the immigrants who established and worked the coal mines Details of individual lives and family histories enliven accounts of industry and the struggles of the unions means of livelihood ethnicity associational life and ceremonial occasions It will be of interest to anthropologists sociologists scholars of urban studies and labor historians and contributes to the canon of literature on community and sense of place The study focuses on the rise and decline of the mining industry on the ethnic groups that formed the town's neighborhoods and on the changes that have taken place in ethnicity religion class and community It covers the period of prosperity when the factories of the New York garment industry moved into town for the

middle years of the twentieth century and made Shamokin a shopping mecca Today the town is decimated by economic decline and population loss but ethnicity remains an identity option and still has economic content The strong sense of place of the people of the town rooted in their cultural and militant heritage has given rise to a wider community of former residents who return to visit participate in events and buy ethnic foods and cultural items This wider community of belonging and identity helps to boost morale sense of community and economy in what is now primarily a retirement town with commuters traveling to work in nearby cities     The Pennsylvania Dutchman ,1952     **Kiplinger's Personal Finance** ,2005-12 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics     Pennsylvania Grange News ,1968     *Ukrainian Christmas* ,1983     Pennsylvania Farmer ,1939     **New Ways to Enjoy Lancaster County Pennsylvania Cooking** Helen Steudler Young,2012-04 This cook book is for people who are interested in nutritious food and in planning meals wisely when cooking Included in this book are over 300 Lancaster County recipes to make it easy to plan meals each day of the year     The Bread Book Louis P.
