N. Edwards,2024-08-01 A fascinating follow up to the author s first book Tarot Etc I AM WITCH with in depth details and stories about the funeral industry as being both a mortician and psychic medium This book is a personal account of the grim side of corporate mortuary standards and education practices unknown to the public as well as many personal stories of teaching the occult and of paranormal investigations from my home in Vancouver B C Steveston B C to Northern Canada and famous haunted locations across the U S A including Salem New Orleans The Overlook Stanley Hotel Croke Patterson Mansion Cheeseman Park New England and more We also take a journey through the fun filled drama lessons and conflicts of working with others in these professions concerning life death and the supernatural **Q'Sapi** Shirley Louis,2008 There are many individual voices male and female old and young scattered about me These voices expressed themselves in two languages Okanagan and English Okanagan was unwritten for the most part But more often than not as if by some magnetic pull of oral tradition the individual tribal voices unconsciously blended together with the English voice like braided strands of thread into one voice story song and prayer That thread stretched unbroken to the pre time and origin that still lived in the mystery and power of the Okanagan language their spoken word even translated into English as it had been for well over decades before I was born The echo of that tribal voice in Okanagan or English never disappears or fades from my ear not even in the longest silences of the people or in my absences from them Arnie Louie **Girls School** L.J. Breedlove,2023-11-21 No One Knows Where They Come From The Wolf Harbor Boarding School was mostly just a fantasy until the students started showing up on their doorstep First there was Pi a Cambodian teenager He joined the three young women who were already there and no one thought much more about it There were so many bigger crises to deal with But then Pi disappeared for a day and brought back a 13 year old girl from Thailand The next week it was two girls from Laos Benny Garrison Story Teller and Teacher in the Hat Island pack began to get alarmed He figured his father had to be involved when it came to Southeast Asia he usually was But his father isn t answering his calls and neither is his pack Second Now Benny Garrison is really concerned Where are these girls coming from And more important why were they coming here Book 7 in the series Wolf Harbor *Moon Handbooks* ,2008-05 Decolonizing the Lens of Power Kerstin Knopf,2008 This is the first book that comprehensively examines Indigenous filmmaking in North America as it analyzes in detail a variety of representative films by Canadian and US American Indigenous filmmakers two films that contextualize the oral tradition three short films and four dramatic films The book explores how members of colonized groups use the medium of film as a means for cultural and political expression and thus enter the dominant colonial film discourse and create an answering discourse The theoretical framework is developed as an interdisciplinary approach combining postcolonialism Indigenous studies and film studies As Indigenous people are gradually taking control over the imagemaking process in the area of film and video they cease being studied and described

objects and become subjects who create self controlled images of Indigenous cultures The book explores the translatability of Indigenous oral tradition into film touching upon the changes the cultural knowledge is subject to in this process including statements of Indigenous filmmakers on this issue It also asks whether or not there is a definite Indigenous film practice and whether filmmakers tend to dissociate their work from dominant classical filmmaking adapt to it or create new film forms and styles through converging classical film conventions and their conscious violation This approach presupposes that Indigenous filmmakers are constantly in some state of reaction to Western ethnographic filmmaking and to classical narrative filmmaking and its epitome the Hollywood narrative cinema The films analyzed are *The Road Allowance People* by Maria Campbell *Itam Hakim Hopiit* by Victor Masayesva *Talker* by Lloyd Martell *Tenacity* and *Smoke Signals* by Chris Eyre *Overweight With Crooked Teeth* and *Honey Moccasin* by Shelley Niro *Big Bear* by Gil Cardinal and *Atanarjuat The Fast Runner* by Zacharias Kunuk *Annual Report of the Okanagan Historical Society* Okanagan Historical Society,1970 **A Summer of My Own** Bev Ellen Clarke,1992 **One Day at a Time** Marge Johnson,2017-02-06 Marge was initially surprised when diagnosed with chronic lymphocytic leukemia However her continued healthy wellbeing allowed Marge to put the news behind her and carry on with her everyday life But then five years later her illness suddenly took a turn for the worse A much sooner than expected stem cell transplant was scheduled in the fall taking her more than 200 miles away from home Fortunately her post transplant recovery went amazingly well and she was home before Christmas I guess she was one of those few fortunate patients that sailed through it Or was she Three months later the dreaded Graft Versus Host Disease GVHD attacked her body with a vengeance Air ambulance flew her back to Vancouver for a roller coaster of continuous life threatening hardships Was all the medication that was wreaking havoc on her body worth keeping her alive Would she ever get out of the hospital and return home to a life worth living Find out and be inspired as Marge tells her heartwarming story sharing her battles openly and honestly as she fights to overcome GVHD **Walking Barefoot In My Shoes** Doreen Brust Johnson,2016-11-22 This is the sequel of a young mother as she leaves the life of a poor Homesteader in the barren Canadian wilderness in 1950 to make a better home for herself and her children at a time when it was virtually unheard of for a woman to make such a choice She will search for a life with an education a warm family home filled with necessities for which she finds herself being openly criticized With her strong faith in her Lord she receives the strength to continue her fight she feels compelled to make so the lives of her children may be richer and stronger She will not turn back **Scary Monsters and Super Creeps** Dom Joly,2021-09-02 Dom Joly sets off round the world but this time he s not looking to holiday in a danger zone he s monster hunting Ever since he was given a copy of Arthur C Clarke s *Mysterious World* for his ninth birthday Dom has been obsessed with the world of cryptozoology monster hunting and in *Scary Monsters and Super Creeps* he heads to six completely different destinations to investigate local monster sightings He explores the Redwood Curtain in northern California in search of Sasquatch in Canada he visits Lake Okanagan hoping to catch a glimpse of a thirty foot snake like
