Fears and Frights: A Canadian Werewolf 2 Book Bundle Mark Leslie, 2022-03-15. THERE'S NO ESCAPING THE EVIL THAT RISES WITHIN OUR OWN HEARTS. On a work trip to Los Angeles, Michael Andrews stumbles upon the rising underground movement of the Proud Fighters for America, a white supremacist group hell-bent not only on vanquishing any outside their pre-defined definitions of the one pure race but also on leveraging long-buried paranormal experiments conducted by Nazi Germany to create an army of super soldiers. But this group isn't confined to the west coast. Their numbers have also spread to New York, Michael's home stomping grounds. Michael has to determine if a mysterious woman he is falling in love with who has ties to the PFA and a unique paranormal ability of her own can be trusted and if the two of them along with another supernatural creature and an occult scholar are enough to take down the growing legion of evil.

FEARS AND FRIGHTS combines the complete texts of the two-book story arc that unrolls in the novels **FEAR AND LONGING IN LOS ANGELES** and **FRIGHT NIGHTS BIG CITY** into a single digital bundle. **FEAR AND LONGING IN LOS ANGELES** WELCOME TO THE JUNGLE. If New York is the city that never sleeps, then L.A. is the city where you have to sleep with one eye open. Michael Andrews learns quickly that it's not just the cut-throat world of Hollywood you need to fear. There's something deeper, darker, and far more disturbing lurking just beneath the shadows of the city, waiting for any moment of vulnerability to grab you by the throat. An extended trip to Los Angeles to be on set for the movie adaptation of his latest novel leads Michael into a twisted and macabre underworld where he becomes entangled with an intriguing, sexy, and mysterious woman. At times she seems just what he needs in order to finally get over the unrequited love of his ex-girlfriend, but at other times she appears to be the gateway to a Pandora's box of B-movie nightmares. Can he trust her? Can he trust himself with her? Michael's supernatural wolf-enhanced powers and special abilities might not be enough to survive this particular harsh and gritty jungle and the unique and deadly predators that crawl out of the shadows.

FRIGHT NIGHTS BIG CITY STOP SPREADING THE NEWS. THERE'S NO LEAVING TODAY. Not when the Big Apple comes under attack from an infectious worm threatening

to rot it and the entire nation to the core Michael Andrews thought he'd found the perfect woman in Lex A companion whose own powers neutralize his werewolf curse and bringing the balance he's always wanted But his plans on settling down and giving up the vigilante lifestyle are fleeting The hatred the fear and the monstrous attacks on innocent civilians are growing and spreading as supernatural monsters roam the city streets at night The neo Nazi Proud Fighters for America aware of the special abilities that Lex possesses track her down and plan on leveraging her powers for their own nefarious purposes With Michael's powers nullified in Lex's presence the couple is forced to divide in their attempt to conquer and Michael turns to his ex girlfriend and her knowledge of the occult world in order to understand how to fight this rising evil But will two supernatural forces of good operating separately and one paranormal scholar be enough to vanquish the growing legion of evil

Stop Saying I'm Fine Taylor Joy Murray, 2022-08-11 There is a deep well of pain loneliness self loathing trauma and shame sitting behind the happy smiles and filtered social media feeds that so often characterize our generation Many of us have become experts at pretending we're fine Our shiny social media feeds and screen deep smiles certainly give off a happy illusion But we are not fine Taylor has heard countless stories from her generation of our fetal positions on cold tile floors immobilized by anxiety She personally knows this place well At eighteen she too found herself in an anxiety induced fetal position behind a locked bathroom stall wondering What did Jesus mean when he promised me full life Stop Saying I'm Fine is a generational call to honesty healing and to a spiritual hunger that defies superficial Christianity and engages our deeper aches and heart questions In these pages we'll dig beneath the bedrock of our anxiety into the pain of our experiences Together we'll learn how to connect to the stillness that exists beneath the chaos and we'll find that the wholeness and healing we long for isn't as distant as it may seem For the young adult who feels trapped inside their anxiety For the parent or caregiver who aches to understand For the wounded heart that can't seem to move on For the weary one who has tried and failed a thousand other ways
