

Polycom IP550/IP560 Enrollment Guide

for MegaPath Voice

For Polycom phones to work with our hosted voice platform, they must be able to reach our configuration servers. If a phone is not set up correctly for our servers, it must be **enrolled**. This document will guide you through the process.

These instructions may change from time to time. We suggest that whenever you enroll phones you download a new copy of this document. You can find this and other documents by going to the Voice Learning Center on the MegaPath website and searching for "enroll."

This document only applies to this particular model of phone. Other phones use different processes. Make sure you have the right document for your phone model, and if the instructions still don't work, try downloading a new copy, in case the instructions have changed.
