

Imagery

- The image of the poppy in the first stanza highlight how this is a poem about remembrance for fallen soldiers. Not only is it a symbol of remembrance but it is a symbol conflict. The shape and colour of the poppies hint at bullet wounds and 'spasms' may suggest the son's fatal injuries.
- In the second stanza the speaker remembers with fondness her son's childhood. This comes within her memory of him leaving home for the last time. This provides a contrast in the poem between childlike innocence and the son as a man.
- The song bird is a metaphor. The speaker wanted to be strong whilst saying goodbye but, after he leaves, she breaks down. The metaphor may also signify how she is letting go of her child. Her emotional response contrasts with the son who leaves 'intoxicated'.

The Opium Poppy and Other Poppies United States. Bureau of Narcotics, 1944 Poppies, Politics, and Power James Tharin Bradford, 2019-06-15 Historians have long neglected Afghanistan's broader history when portraying the opium industry But in *Poppies Politics and Power* James Tharin Bradford rebalances the discourse showing that it is not the past forty years of lawlessness that makes the opium industry what it is but the sheer breadth of the twentieth century Afghanistan experience Rather than byproducts of a failed contemporary system argues Bradford drugs especially opium were critical components in the formation and failure of the Afghan state In this history of drugs and drug control in Afghanistan Bradford shows us how the country moved from licit supply of the global opium trade to one of the major suppliers of hashish and opium through changes in drug control policy shaped largely by the outside force of the United States *Poppies Politics and Power* breaks the conventional modes of national histories that fail to fully encapsulate the global nature of the drug trade By providing a global history of opium within the borders of Afghanistan Bradford demonstrates that the country's drug trade and the government's position on that trade were shaped by the global illegal market and international efforts to suppress it By weaving together this global history of the drug trade and drug policy with the formation of the Afghan state and issues within Afghan political culture Bradford completely recasts the current Afghan and global drug trade *The English Garden: Chronological overview, 1550-1730* Michael Charlesworth, 1993 **A Complete Guide to Literary Analysis and Theory** Michael Ryan, 2022-11-25 A Complete Guide to Literary Analysis and Theory offers an accessible introduction to all the current approaches to literary analysis Ranging from stylistics and historicism to post humanism and new materialism it also includes chapters on media studies and screen studies The Guide is designed for use in introductory literature courses and as a primer in theory courses Each chapter summarizes the main ideas of each approach to the study of literature in clear prose providing lucid introductions to the practice of each school and conducts readings using classic and modern works of literature from around the world The book draws on examples from a wide range of works from classics such as F Scott Fitzgerald's *The Great Gatsby* and Shakespeare's *King Lear* to contemporary works such as Ocean Vuong's *On Earth We're Briefly Gorgeous* and Amanda Gorman's *The Hill We Climb* This wide ranging introduction is ideal for students encountering literary study for the first time as well as more advanced students who need a concise summary of critical methods It strives to make complex ideas simple and provides readings that undergraduates should be able to understand and enjoy as well as training them to conduct analyses of their own Poppies, Perils, and Poison Erica Wynters, 2024-03-19 From author Erica Wynters comes another Camelot Flowers Mystery blooming with secrets suspicions and danger at every turn Things are finally looking up with florist Gwen Stevens family business Camelot Flowers which means her biggest problem now is making her heart choose between her lifelong crush on the charming Chris Crawford and her budding romance with Finn Butler the new police detective who makes her want to stop and smell the
