**Nurses on the Move** Mireille Kingma, 2006 The personal stories of migrant nurses that fill this book contrast the nightmarish existences of some with the successes of others Kingma presents a new way to think about the migration of skilled health sector labour as well as strategies needed to make migration work for all concerned **Responsible Reproductive Choice in the 21st Century** Malcolm de Roubaix, 2023-01-05 This book systematically traces the development significance and implications of female reproductive choice Paramount is the right to safe termination of pregnancy TOP In the USA these rights are under threat after the reversal of Roe v Wade 1973 confirming the eternally contested nature of the pro life pro choice standoff The approach is unique and from all angles historical social emotional and legal South African experience is evaluated against a global backdrop Arguing from an ethics of responsibility the book presents a justified balanced rational and moderate position on the moral acceptability of TOP It proposes that the morality TOP be evaluated by balancing inherent foetal moral significance against contingent potentiality context and circumstance that may determine foetal development TOP is a choice a woman faces with each pregnancy It always has moral implications exclusive to the life of the woman So too do continued pregnancy and parenthood but these are of greater magnitude and duration *Fundamental Nursing* L. R. Uys, 1999 This is a substantially revised edition of the 1985 Nursing humane scientific health care of Uys and Mulder *Southern Africa Report*, 2007 **South Africa Survey**, 2006 **SAJLEA**, 1998 *Your Career, Your Life* Annette Kinnear, 2012-09-24 Doors fly open and opportunities arrive on your doorstep once you start to understand the basic principles of career success Your Career Your Life reveals these important foundations and shows that career growth is a process that starts inside you SUCCESS is a direct product of your thoughts words and actions While all careers can grow up to a point through consistent hard work going further requires wisdom preparation and focus conscious career management We all have the potential to turn our DREAMS into REALITY but we need knowledge tools and a guide Using an original week by week approach to present sometimes difficult concepts in an accessible often humorous manner recruitment specialist Annette Kinnear has produced that guide for South Africans Drawing on examples from real life situations and inspiring quotations from an eclectic range of sources Your Career Your Life imparts wisdom that is applicable not only to career development but also to life as a whole The weekly structure and well chosen activities make it easy to assimilate Kinnear s principles both intellectually and emotionally resulting in a book that is both supportive and challenging **SAMT**, 2008 *Research Handbook on Health Care Policy* Martin Powell, Tuba I. Agartan, Daniel Béland, 2024-04-12 Presenting extensive coverage of key theoretical and policy issues within the field of health care research this forward looking Research Handbook contends that students of health care need to take policy more seriously [A framework for continuous quality improvement for fast-track queues in clinics in eThekwin](#) Dudu G. Sokhela, 2024-05-31 This book explores primary health care users who visit the clinic for short consultations those who regularly come to collect

medication for chronic illnesses such as hypertension diabetes mellitus arthritis epilepsy tuberculosis HIV and AIDS clients for family planning and babies coming for routine weight monitoring immunisation and routine prophylactic treatment Since these health care users come for short consultations the research investigates where the bottlenecks in the clinic queues resulted in long waiting times and if these consultations were of expected quality This book arose from the author s own experience working in a primary health care setting focused on the challenges faced by patients This book will add to the body of knowledge and management of health care users as this book offers practical recommendations that are tailor-made for specific health care users to be implemented by primary health care providers and settings Furthermore the country is faced with a burden of communicable and non communicable diseases New strategies are required to address the ever changing disease pattern and the rapidly growing populations
