CRYING WORDS Manu Rodríguez, 2014 Writing just for the sake of writing is worthless You have to write when you are driven to bleed into the paper Cry Yes I would like to But I don't know how I only know how to cry writing Crying words in silence Crying Words is an introspective monologue a narrative that has something to say to everyone and yet is intensely personal A journey an awakening it is Manu Rodríguez most intimate work to date Each of us feels alienated at some point in our lives and everyone knows what it is to cry but if we were able to turn those tears into words crying with ink onto the page would our words find a kinship with the words and tears of another A way to connect emotionally through words Deep down what are we really searching for Wisdom Money Sex Love Inner peace Perhaps these crying words will wash away the confusion of yesterday and carry us sailing into the future Crying Words by Manu Rodríguez may answer some or all of these questions it is certainly a frank and open account an inner memoir a journey a journey which each of us must ultimately take in some way at some time This book was published for the first time in Spain in 2005 and was translated into an English version by the author Also included are four drawings by Chencho Aguilera an artist from Ayamonte Andalucía Manu Rodríguez was born in Sevilla Andalucía in 1967 to a modest and traditional family He is a Spanish author who also writes in English In Spanish he has published *Leyendas Adolescentes primeros cuentos de finales de siglo* Castillejo 1998 *Llorando palabras* Celya 2005 *Manual de Escritura Curativa* Almuzara 2010 y *La t a que quiero pasa de m Y t ri ndote* Dauro 2013
