**Waterfall: Don't Look Down** Elizabeth Armstrong, 2019-10-25 Waterfall Don t Look Down is not a step by step how to book for marriage restoration It s really just 66 000 words that could simply be summed up with Shut up and let me fix this Love God Waterfall Don t Look Down was written for the woman who just found out her husband cheated or the man who had to listen to his wife say I love you but I m not in love with you Its purpose is to give biblical hope to the desperately lonely Christian who wants to stay in a broken marriage when the world says to run away The Christian who has just been betrayed or abandoned needs to understand God hates divorce and his promise and plan is to heal broken homes That person needs to know if they submit themselves and their marriage restoration to Jesus it won t be easy It may actually be almost impossible almost I m a Christian woman who decided to allow Jesus to fix the mess my husband and I created in our marriage Using journal entries I kept after finding out about my husband s affair allows the reader a uniquely transparent view of the ugly journey to self accountability forgiveness and marriage restoration The journals also highlight non fiction events where I was allowed to witness God s communication in ways that cannot be excused away as coincidental I got to feel his presence see his interventions hear his voice and witness his miracles My only purpose in writing this book is to let hurting spouses know they have a choice They can either allow Satan the opportunity to finish what they started by destroying their marriage home and family or give the whole mess over to Jesus and then just pray shut up and wait Hurting Christians know Jesus is the answer but they are desperately seeking someone to tell them the blessings are worth the pain and the wait Waterfall Don t Look Down can do just that

Pettavino, GERALYN PYE, 1994-09-15 No aspect of Cuban life more clearly epitomizes their government s emphasis on image building and individual participation than the system of physical culture and competitive athletics Indeed the Cuban record in international athletics is the most universally recognized success of the communist revolution as indicated by the Cuban arrival in the 1972 Olympics and the 1991 Pan American Games when Cuba beat the United States in the gold medal tally dominating boxing baseball and winning the marathon The fruits of the Cuban sports system were again in evidence at the Barcelona Olympics of 1992 despite the severe deprivation caused by the collapse of the island s socialist allies In spite of the obvious success and political importance of sport in Cuba very little has been written on the subject Sport in Cuba closes this gap In the first major study on the Cuban system of sports and physical culture Paula J Pettvino and GERALYN PYE analyze how sports was given such a high priority in Cuba how the country became a world power by the mid 1970s and the impact of sports on Cuban society Moving from the early days when the government s approach to sports was loosely defined through the construction of a complex system of physical culture to the current years of uncertainty Sport in Cuba utilizes both archival sources and personal interviews It will be of interest to Latin Americanists and students of sports
