Polaris Labor Time Guide:

The Civil-engineer & Surveyor's Manual Michael McDermott, 1879 David Busch's Nikon Z50 II Guide to Digital Photography David D. Busch, 2025-03-25 David Busch's Nikon Z50 II Guide to Digital Photography is your all in one comprehensive resource and reference for the Nikon Z50 II the company's most advanced enthusiast APS-C mirrorless camera. This 21MP camera boasts advanced still photography features including high speed continuous shooting at up to 30 fps and a pre-capture feature that records action that happened before you clicked the shutter. The Z50 II's compact size makes it ideal for travel photography and its 3D tracking autofocus subject recognition of nine different types of subjects and enhanced video features will please vloggers and content creators. With this book in hand you'll master all these impressive features and fine-tune your camera skills as you develop your creativity while taking great photographs with your new Z50 II. Filled with detailed how-to steps and full color illustrations David Busch's Nikon Z50 II Guide to Digital Photography covers the camera's photography capabilities in depth from taking your first photos through advanced details of setup exposure lighting and more and relates each feature to specific photographic techniques and situations. A handy visual guide to the Z50 II offers close-up photos and descriptions of the camera's essential features and controls. Learn when to use each option and more importantly when not to use them by following the author's recommended settings for every menu entry. With best-selling photographer and mentor David Busch as your guide you'll quickly have full creative mastery of your camera's capabilities whether you're shooting on the job as an advanced enthusiast or are just out for fun. Start building your knowledge and confidence while bringing your vision to light with the Nikon Z50 II today. **Human Trafficking**

Investigation Kirsta Leeburg Melton, 2024-09-16 Everything you need to know to seek justice for victims and accountability for traffickers is in this approachable guide written by seasoned anti-trafficking professionals. *Human Trafficking Investigations: A Practitioner's Guide to Making the Case* is a one-of-a-kind practitioner's guide written by and for people on the front lines in the fight against human trafficking. When you run headlong into the realities of trafficking investigation, this book serves as a convenient reference that you can turn to for guidance in moments of uncertainty and discouragement. Human trafficking cases can be built and they can be won. How do we know? We have done it. If you take nothing else from this book, walk away with the certainty that while complex, frustrating, even agonizing at times, these cases are not impossible. The authors have personally worked and developed trafficking cases, tried them to verdict, and justice has prevailed. Now we want to help you do the same. This essential casebook distills decades of experience and the knowledge of a dozen multidisciplinary professionals to equip law enforcement with the practical skills to consistently identify sex and labor trafficking. Prepare cases that will go the distance through trial and appeal. Locate and dismantle trafficking networks. Partner with victims in the criminal justice process and recruit and maintain critical allies in the work. Chapters offer practical solutions to thorny issues including generating leads when victims don't call 911, providing immigration relief for

international victims addressing victims who are also defendants recognizing and collecting evidence of force fraud or coercion working effectively with partners from different disciplines and building cases when victims are running from help Honest direct and practical Human Trafficking Investigations is the definitive implementation guide for investigators intent on developing human trafficking cases that can be tried to a successful conclusion in a court of law **Readers' Guide to Periodical Literature** ,1963 *Guide to U.S. Government Serials & Periodicals* John L.
