Jesus the Bridegroom Phillip J. Long, 2013-11-06 Did Jesus claim to be the bridegroom If so what did he mean by this claim When Jesus says that the wedding guests should not fast while the bridegroom is with them Mark 2 19 he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible By eating and drinking with tax collectors and other sinners Jesus was inviting people to join him in celebrating the eschatological banquet While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the messiah is like a bridegroom the elements for such a claim are present in several texts in Isaiah Jeremiah and Hosea By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord s beloved wife This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet Earth Story in the Psalms and the Prophets Norman C.

Habel, 2001-01-01 In this volume scholars from around the world read the story of Earth in key texts from the Psalms and the Prophets Their readings challenge popular understandings of the Chaoskampf myth the theophany of Psalm 29 and the New Earth in Isaiah 65 Re readings of Ezekiel expose the cruelty of divine justice extended to the natural world Several articles by indigenous writers sensitive to the voice of Earth bring new insights to the potential meaning of texts like Psalm 104

Fletcher, 2018-05-10 The book of Psalms is a treasure trove of teaching about Jesus Christ While the church has traditionally recognized only about fifteen psalms as messianic anticipating God s promised Messiah the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter Psalms of Christ applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select non messianic psalms Following the New Testament as the guide for how to read the Old in light of the gospel Psalms of Christ proposes fresh readings of so called non messianic psalms by illustrating their christological character and exploring how they testify to the gospel by evoking Jesus s person purpose and passion The Manifold

Beauty of Genesis One Gregg Davidson, Kenneth J. Turner, 2021-10-28 See and celebrate the multilayered grandeur conveyed by the first chapter of Genesis The first chapter of the Bible s first book lays the foundation for all that follows about who God is and what God is like Our technology age fascination with the science of origins however can blind us to issues of great importance that don t address our culturally conditioned questions Instead Genesis One itself suggests the questions and answers that are most significant to human faith and flourishing Geologist Gregg Davidson and theologian Ken Turner shine a spotlight on Genesis One as theologically rich literature first and foremost exploring the layers of meaning that showcase various aspects of God s character Song Analogy Polemic Covenant Temple Calendar Land Our very knowledge of God

Hiers, 2023-04-18 People have lived on Earth since before recorded history depending on nature to provide for and clean up after them But Nature cannot do it all anymore Too many people too much trash and too much toxic waste People have long lived in interdependence with other living things Yet humans now degrade and destroy the global environment that nurtures all species including human beings Human activities contaminate earth air and sea causing thousands of species to go extinct Rising global heat produces vicious cycles of catastrophic drought fires horrific storms floods famines and massive migrations by desperate climate refugees We don't hear much anymore about man's conquest of nature Nature God's creation now clearly has the last word Contrast the theocentric faith and ethics embedded in the Old and New Testaments Here the good world that God created and continues to create was made to be shared with all other living things All alike are made from the earth and destined to return to it Humans were meant to till the soil appreciate enjoy and care for life around them and trust their Creator for what is yet to be
