Chris Oyakhilome

Pastor Chris Understanding:

Prophecy Chris Oyakhilome, 2005 *The Power of Tongues*, 2005 **Understanding God's Will** Kyle Lake, 2004-09

Everyone struggles with questions like How can I know if I'm pursuing God's will or my own? In this book pastor Kyle Lake suggests that God's will for a person's life isn't as formulaic as it's often made out to be. This book alleviates ambiguities about God's desires for our lives. Through the use of scriptural metaphors such as discipleship, kingdom, and fatherhood, this message empowers people to make wise decisions with the guidance of a God who is not a genie, an insurance policy, nor a dominator.

Challenging to change Pieter J. Lalleman, 2020-09-18

On 13 May 2009 Dr Nigel G Wright celebrated his sixtieth birthday. For this occasion friends and colleagues presented him with a Festschrift which reflects his career as a radical baptist leader and theologian. Over the past decades he has played a leading role in the Baptist movement in Britain and worldwide. The contributors to *Challenging to change* dialogues with a radical baptist theologian, interact with aspects of Wright's activities and writings so far. The spelling of baptist with a small b in the subtitle of this book reflects Wright's own usage. baptist refers to the broader tradition of believers churches stemming from the radical wing of the European Reformation to which not only Baptist churches belong but also Anabaptist, Brethren, Pentecostals, Restorationists, and others. This book makes a valuable contribution to the thinking of all baptists about issues such as ministry, Church and state, church planting, and evangelical identity. In particular, pastors, other church leaders, and students will profit hugely from it, and they will be encouraged to pick up Nigel Wright's own books.

The Brain Builder Sue Hanson, 2017-09-07

Chris Carson was a rebellious teen who faced a choice: either join the army or spend time in jail. He chose the army and was sent to Viet Nam. Later his company was caught and faced a firing squad. They were all killed, of course, and only Chris woke up weeks later, rolling off a bed in New York, having been shot in the forehead, in the back, and with three fingers missing. In the meantime, he had met Jesus, who sent him back with a mission. From then on, Chris was able to invent amazing technology while still being subject to all the trials and frustrations everyone faces. This story is based on a real man's life; at least part of it. Then it goes on to speculate what might happen to Chris and to the world with his artificial intelligence creation, Perceptor. This is a Christian action adventure story that includes intrigue and evil, along with a love story or two, as we look into the possible future in the last days.

How Anyone Can Understand the Bible Ron Searcy, 2005-09 Most people have a Bible in their home however most don t read or study it Why Because it is so complicated to most people This book removes the confusion puts things in simple easy to understand language for the average person **The Fury of God** Jeremy J. Lundmark, 2014-05-27 Is God loving The Bible says that God is love however it also portrays a God that floods the earth takes the lives of the firstborn in Egypt and lashes out time and again in His fury How can a God of love be synonymous with the God of fury displayed in the Old Testament Are we fools The fear of the Lord is the beginning of knowledge fools despise wisdom and instruction Pro 1 7 Twice in the Proverbs were told that the beginning of knowledge and wisdom is the fear of the Lord Is it possible that we have become altogether ignorant simply because weve tossed out the Bibles basic teaching on Gods fury The Fury of God penetrates the paradox and shows that we cannot truly understand Gods love until we fully understand His fury If believers

today are truly abiding in Gods Word they will come face to face with the fury of God and its truth will bring satisfaction to their souls Gods people must know the truth They longingly desire it The truth is that our God is a consuming fire He is a jealous God He is a holy God He is an unchanging God He is a triune God Our God is a God of fury It is that God the God of the Scriptures whom I hope to resurrect in the hearts and minds of His people with this book *What Is the Purpose of Marriage?* Mary Esanbor,2010-11-29 Gods purpose for marriage is not for the believer to be waned down by heartaches The issue of marriage is not a controversial issue as many think Satans intention is to use conflicts and divorce as a weapon to destroy the family structure getting believers out of the will of God God has not called us to live an impossible Christian life but he has equipped us and graced us to live a victorious life in Christ In the pages of this book you will discover what Gods purpose is concerning marriage and how to live a strife free life This book is beneficial to every Christian whether single married or divorced

Street Crossers Rick W. Shrout,2011-10-12 Imagine traditional congregations in the United States and Canada sending missionaries across the street from their church buildings to express the kingdom of God within a postmodern culture and among disenfranchised Christians The possibilities and potential are endless This concept is explored and actual examples are presented in Street Crossers Partnerships between traditional churches and nontraditional simple church planters are rare More need to be encouraged because a significant number of people across North America are skeptical of organized religion or want nothing to do with church as usual While some might conclude that the traditional church has little to offer a postmodern world and that no amount of tweaking traditional church structures will make a significant difference they have forgotten to consider a vital reality existing in most congregations across the land a

commitment to send and support missionaries to foreign cultures It s time to harness this existing commitment and focus it across the street
