**Pastor and Professor** Donald Blosser, 2012-08-17 Pastor and Professor is one pastor's story of a rich life filled with experiences that tested his faith and demanded growth that was both exhilarating and painful It is the personal story of moving from faith as right doctrinal belief to faith as a liberating response to a loving God a God who is always with us continually drawing us into the future This dynamic understanding of faith is based on the belief that the kingdom of God is a present reality where followers of Jesus

are to be pastoral in spirit while prophetic in living Don Blosser weaves personal experience with public expression of an emerging faith that wrestles candidly with the realities of life and deals with the pastor professor tension of integrating academic scholarship in the classroom with pastoral proclamation in the pulpit Pastor and Professor invites the reader to share a journey where faith is often challenged sometimes doubted yet lived with enthusiasm as it is shared from the pulpit and in the college classroom It invites the reader to find fresh insights in the Scriptures and to live with new hope to embrace life more fully and to share more gently one s own story with others     Preaching: Answering Questions Preachers Ask Keithron Powell,2012-06-07 Now that God has called you to preach you have a myriad of questions What do I say How do I say it How do I construct a sermon Should I use notes when I preach How do I sound The list goes on and on No matter how spiritual anyone tries to make preaching every preacher has questions about it because the mind recognizes even if only subconsciously that there is a natural side to the spiritual call to preach This reality means there are things you can do to make your preaching better that don t diminish the spirituality of preaching but will enhance it In this book Pastor Keith reveals what most books on preaching neglect to inform you of both the technical and the practical side to preaching focusing on improving the human element     **The Sermons of Jonathan Edwards** Jonathan Edwards,2008-10-01 Jonathan Edwards widely considered America s most important Christian thinker was first and foremost a preacher and pastor who guided souls and interpreted religious experiences His primary tool in achieving these goals was the sermon out of which grew many of his famous treatises This selection of Edwards sermons recognizes their crucial role in his life and art The fifteen sermons four of which have never been published before reflect a life dedicated to experiencing and understanding spiritual truth Chosen to represent a typical cycle of Edwards preaching the sermons address a wide range of occasions situations and states corporate as well as personal The book also contains an introduction that discusses Edwards contribution to the sermon as a literary form places his sermons within their social and cultural contexts and considers his theological aims as a way of familiarizing the reader with the order of salvation as Edwards conceived of it Together the sermons and the editors introduction offer a rounded picture of Edwards the preacher the sermon writer and the pastoral theologian     **Small Preaching** Jonathan T. Pennington,2021-04-28 Is bigger always better It s not often that we hear the virtues of the small Our culture teaches that bigger is better and that includes church ministry and preaching too But what if rather than swinging for the fences preachers focused on improving their sermons through small habits practices and exercises What if smaller is better In a world where small isn t always celebrated Jonathan T Pennington provides Small Preaching a short book of simple tips that can have revolutionary effects over time Pennington offers preachers 25 words of wisdom that will help shape their preaching for the better     **Preaching and Teaching with Imagination** Warren W. Wiersbe,1997-02-01 No more dreary three point sermon outlines Wiersbe coaches preachers to creatively proclaim the living Word so hearers experience God s truth changing their lives     **Peace and Discipleship Sermons by EMCers (2014)**

White, Jr., 2016-12-27 The columns in this book are reprinted from the Biblical Recorder the North Carolina Baptist state paper Editor R G Puckett saw a reason for them to be published because of the urgent need to strengthen pastors and churches in their relationship to each other He wrote that the articles are projected more for the laypersons than for the minister I think that they will be helpful in understanding the role relationship and rigors of the minister's life Some of them will be informational Others will be almost devotional And some many even be downright funny We all need to remember that ministers are people too The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine , 1859 **A Journey Back Home** David Dukes, 2010-03-12 DAVID DUKES was born and raised in Madison Florida At the age of seventeen in 1963 he led the civil rights movement in Madison He did voter registration work sit ins at restaurants and recreational facilities conducted training seminars and demonstrated in support for freedom equality justice and human rights for blacks in the American South He was subjected to harassments intimidations chased around at high rates of speed arrested disowned by relatives his life was constantly threatened and he was forced to leave his hometown in 1965 He returned to Madison in 1993 to set up an after school program to assist the youth of Madison County to do well in school to stay in school reduce teenage pregnancy resist drug use reduce criminal behavior and violence A JOURNEY BACK HOME tells how his past was used by elected and public officials community leaders and others to make his efforts difficult by none support of his programs Wake Up, Lazarus! Pierre Hegy, 2012-01-17 Today's Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change In Wake Up Lazarus author Pierre Hegy documents the most important issues facing modern Catholicism and presents a convincing argument for renewal in the Catholic Church Wake Up Lazarus examines three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church Hegy describes the inner workings of two successful parishes one evangelical and the other Catholic to illustrate the strategies used that contribute to vibrant and growing church communities He also reviews various renewal plans and then presents his personal long term plan for renewal in the Catholic Church with practical implementation suggestions included in each step Hegy communicates that the strategy and principles of Catholic renewal must lead passive Sunday churchgoers to become active participants it must help active participants to become involved in parish life and it must inspire all involved to become committed disciples **The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5** Hughes Oliphant Old, 2004 The Reading and

Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen     Imaginative Preaching Geoff New,2015-10-14 From generation to generation there has been an anguished cry from preachers about preaching there is no imagination The Scriptures present the wondrous hope and vision of Kingdom Come and yet contemporary preaching can often be mute and blind by comparison This book explores what is possible when the Scripture to be preached is prayed through the agency of two ancient prayer disciplines lectio divina and Ignatian Gospel Contemplation Through the experiences of eight vocational pastor preachers this study tracks the difficulties discoveries and delights as they commit to utilizing these prayer disciplines as part of their regular sermon preparation The reader will be orientated to what a biblical imagination entails and how praying the Scriptures affects the preacher sermon and listener Careful explanation of how to pray using lectio divina and Ignatian Gospel Contemplation is included This work is in places a raw examination of the forces that regularly conspire against the preacher as they endeavour to faithfully expound the Scriptures The study is a rousing exclamation of the joy experienced when a preacher s imagination and their preparation is formed by the Spirit bringing the Scriptures to bear on all who speak and hear it     Church Programs for Special Days ,2008-10 Plays poems and ideas for 10 celebrations
