

Bullying

There was a bully at our school,
His name was Albert Rye.
He bullied a boy in class 4c,
And often made him cry.

We'd watch him in the playground,
But pretend we hadn't heard,
As he called him names,
And ripped his coat,
No one ever said a word.

We just stayed away from them,
We let him tease and punch,
And taunt poor Tim for being small,
As he stole and ate his lunch.

We knew that what he did was wrong,
It really wasn't fair.
We could have stopped it,
We should have told,
It wasn't that we didn't care...

But Albert was big and very mean,
And, though I'm ashamed, you see,
Each of us was thinking the same thing -
At least he's bullying him and not me.

Then, in November, a new boy arrived,
And became our friend at school.
He was kind and strong,
And brave and bold,
Everyone thought that he was cool.

One day, while we were playing outside,
He saw Albert bullying poor Tim.
And he asked us what was going on,
And why no one was helping him.

He told us that bullies are cowards,
And that bullying is very wrong.
It's our job to stop them,
It's our job to tell,
And we knew he was right all along.

So we walked up to Albert and told him,
"This bullying we won't condone,
You can't bully anyone here anymore,
Our school is a bully free zone!"

International Dictionary and Cyclopaedia ... Robert Hunter, 1901 **The Encyclopaedic Dictionary** , 1881 **A Collection of Poetry about Anti- Bullying** Elise Sharron, 2022-02-03 A term that everyone around the world has become very aware of is bullying There are so many disappointing aspects of this personality trait and the more it happens the more disappointing it becomes Unfortunately students report being bullied as young as kindergarten four things that they don t even understand and sometimes things that they have no control over like their race or socioeconomic status The biggest misstep is that the adults in the room are not always doing everything that they can to support students who are being bullied address and educate students who are the bullies as well as creating a safety net for all students in all aspects of their young life This collection deals with anti bullying In *Burnt Cake* we use the metaphor of a burnt cake to connect with a teenager that is experiencing bullying and can t quite find the words to ask their parents for help In *Stand Up* we experience the honest truth about what we are not seeing and are not addressing in the presence of this bullying culture In *When I Have a Kid* we hear someone express all of the things that they are and are not going to do in an effort to support their child Because at the end of the day supporting children is important because at some point they will grow up to be the adults that lead our world We must make anti bullying a priority to keep this generation safe as well as the next
