## **Perspectives On Hebrew Scriptures II:**

Perspectives on Hebrew Scriptures II Ehud Ben Zvi, 2007 This volume incorporates all the articles and reviews published from 2004 to 2005 in the Journal of Hebrew Scriptures      **Perspectives on Hebrew Scriptures II** Ehud Ben Zvi, 2007

**George W.E. Nickelsburg in Perspective, vol. 2** Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870      **Emerging Scriptures: Torah, Gospel and Qur'an in Christian perspective** Schofield,

Rodney, 2014-08-22 Rodney Schofield traces the beginnings of Biblical and Qur'anic literature and attempts a reconstruction of their original settings He reassesses some of the classical theories and shows that the scriptures of the Abrahamic faiths Torah Gospel and Qur'an possess many shared perspectives reflecting their common heritage A better appreciation of this shared legacy he contends could promote greater mutual understanding and foster respectful co-existence among believers

**Perspectives on the Formation of the Book of the Twelve** Rainer Albertz, James D. Nogalski, Jakob Wöhrle, 2012-07-04 The formation of the Book of the Twelve is one of the most vigorously debated subjects in Old Testament studies today This volume assembles twenty-four essays by the world's leading experts providing an overview of the present state of scholarship in the field The book's contributors focus on questions of method history as well as redactional and textual history      **Perspectives on the Song of Songs** Anselm C. Hagedorn, 2005 The collection of essays contains

nineteen contributions that aim at locating the Song of Songs in its ancient context as well as addressing problems of interpretation and the reception of this biblical book in later literature In contrast to previous studies this work devotes considerable attention to parallels from the Greek world without neglecting the Ancient Near East or Egypt As far as the reception history is concerned several contributions deal with the use of the Song in Byzantine Medieval German Romantic and modern Greek Literature Due to the interdisciplinary nature of the collection new perspectives and avenues of approach are opened      *Studies in the New Perspective on Paul* Don Garlington, 2008-06-15 This collection of essays follows upon its predecessor originally entitled In Defense of the New Perspective on Paul Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The

change of the main title to Studies in the New Perspective on Paul is due to the conviction that the New Perspective on Paul actually represents a return to the original context in which Paul proclaimed the gospel of Christ Therefore it is not something to be defended but propounded in the most positive terms possible **Atonement and the New Perspective**

Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ's work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God's preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place Israel's Exodus in Transdisciplinary Perspective

Thomas E. Levy, Thomas Schneider, William H.C. Propp, 2015-03-28 The Bible's grand narrative about Israel's Exodus from Egypt is central to Biblical religion Jewish Christian and Muslim identity and the formation of the academic disciplines studying the ancient Near East It has also been a pervasive theme in artistic and popular imagination Israel's Exodus in Transdisciplinary Perspective is a pioneering work surveying this tradition in unprecedented breadth combining archaeological discovery quantitative methodology and close literary reading Archaeologists Egyptologists Biblical Scholars Computer Scientists Geoscientists and other experts contribute their diverse approaches in a novel transdisciplinary consideration of ancient topography Egyptian and Near Eastern parallels to the Exodus story the historicity of the Exodus the interface of the Exodus question with archaeological fieldwork on emergent Israel the formation of biblical literature and the cultural memory of the Exodus in ancient Israel and beyond This edited volume contains research presented at the groundbreaking symposium Out of Egypt Israel's Exodus Between Text and Memory History and Imagination held in 2013 at the Qualcomm Institute of the University of California San Diego The combination of 44 contributions by an international group of scholars from diverse disciplines makes this the first such transdisciplinary study of ancient text and history In the original conference and with this new volume revolutionary media such as a 3D immersive virtual reality environment impart innovative Exodus based research to a wider audience Out of archaeology ancient texts science and technology emerge an up to date picture of the Exodus for the 21st Century and a new standard for collaborative research **A Modern Jewish**

**Perspective on the Gospel of John** Charles David Isbell, 2022-06-08 Did Jesus really call the Jews of his day children of the devil Would he label Jews of today the same way Did the Jews kill Jesus and then violently expel from the synagogue anyone who accepted him as a promised Messiah The Christian church has found answers to these and other similar questions in the Gospel of John But Jewish readers are justifiably offended by many of John's answers The eleven essays offered here present facts everyone should know They are written by a modern Jewish scholar responding to troubling questions about John raised over a period of more than forty years by his university students by congregants in synagogues he has served as spiritual guide rabbi and by Christian colleagues with whom he has worked throughout his long career Designed to engage thoughtful readers from every religious background these essays encourage questions and suggest plausible answers to the problems in John by illustrating the difference between the answers of John and the facts of history They also compare John's Jesus with the teachings of the modern church about the treatment of others love for all humanity and the wholeness of body and spirit

The Bible as Revelatory Word Robert Ignatius Letellier, 2016-08-17 Whether one approaches the Bible from a perspective of faith culture or literature the power of the writing the human situations language and genres that make up the Scriptures speak potently across the ages From whatever angle the texts have a revelatory power that shines a light on the human condition our sense of purpose place in the world and even our destiny Born out of the common reflection on the history of single nation with a sense of divine election the Bible has spoken and continues to speak to all people in various circumstances in words of such power that seem divinely inspired This volume provides an opportunity for studying those special areas of Scripture known as the Prophets and the Wisdom Books Isaiah Jeremiah Ezekiel and Daniel spoke to Ancient Israel from the situation of their national story shaped by the Covenant with God especially before during and after the sorrow of their Exile in Babylon 587-38 BC The Wisdom Books of the Bible reflect on the ontology of the human condition under any circumstance how to live wisely and sensibly by looking at the world of nature and the human heart to discern the purpose of life The approach adopted here building on a fundamental understanding of the Old Testament searches for deeper understanding of both approaches and genres This study enables a thematic overview of the subject a way into some of the critical issues endemic to grasping both traditions and by implication some of the fundamental approaches used in biblical scholarship This study encourages reading the texts themselves developing a sharper perception of language imagery genre and style The book thus provides an overall picture of the literary types employed locates the sacred books in a chronological and thematic context exploring the texts through the specific passages provided always looking to find the theological keys critical to understanding these particular books and their enduring message across the ages A particularly interesting aspect of this study is its collection of iconography offering a cross section of artistic responses to the power of the biblical discourse through the centuries While Gustave Doré's famous etchings form the axis of the centre folds many other painters are included from different periods

Judaic Perspectives on Ancient Israel Jacob Neusner, Baruch A. Levine, Ernest

S. Frerichs, 2004-07-09 This volume assembles for the first time a representative statement of Judaic learning on the Old Testament as it is studied today by many of the most important Jewish Bible scholars of the age. A host of internationally known scholars, American, European, and Israeli, here present a variety of rich perspectives on the study and interpretation of the Scriptures revered by both Judaism and Christianity. These studies make clear that no single Jewish school of biblical scholarship exists. Rather, there is a Jewish approach involving appreciation for Hebrew as a living language, the reality of Jewish settlement in the Land of Israel, the continuity of Scripture in the life of Israel, the Jewish people, and the state of Israel, and a complete and healthy adaptation of the critical perspectives of contemporary scholarship. This unique and stimulating volume vividly demonstrates the importance and value of critical scholarly discourse on the Hebrew Scripture, Old Testament, by Jewish scholars for both Christian and Jewish communities.

### **Religious Perspectives on Bioethics and Human**

**Rights** Joseph Tham, Kai Man Kwan, Alberto Garcia, 2017-09-06 This book deals with the thorny issue of human rights in different cultures and religions, especially in the light of bioethical issues. In this book, experts from Christianity, Judaism, Islam, Buddhism, Daoism, Hinduism, and Confucianism discuss the tension between their religious traditions and the claim of universality of human rights. The East-West contrast is particularly evident with regards to human rights. Some writers find the human rights language too individualistic and it is foreign to major religions where the self does not exist in isolation but is normally immersed in a web of relations and duties towards family, friends, religion, community, and society. Is the human rights discourse a predominantly Western liberal ideal which in bioethics is translated to mean autonomy and free choice? In today's democratic societies, laws have been drafted to protect individuals and communities against slavery, discrimination, torture, or genocide. Yet it appears unclear at what moment universal rights supersede respect for cultural diversity and pluralism. This collection of articles demonstrates a rich spectrum of positions among different religions as they confront the ever more pressing issues of bioethics and human rights in the modern world. This book is intended for those interested in the contemporary debates on religious ethics, human rights, bioethics, cultural diversity, and multiculturalism.

Linguistic and Philological Studies of the Hebrew Bible and its Manuscripts, 2023-07-10 This volume honors the extraordinary scholarship of Prof. Gary A. Rendsburg, whose work and friendship have influenced so many in the last five decades. Twenty-five prominent scholars from the US, Europe, Israel, and Australia have contributed significant original studies in three of Rendsburg's areas of interest and expertise: Hebrew language, Hebrew Bible, and Hebrew manuscripts. These linguistic, philological, literary, epigraphic, and historical approaches to the study of Hebrew and its textual traditions serve as a worthy tribute to such an accomplished scholar and also as an illustration of how all of these approaches can complement one another in the fields of Hebrew and Biblical Studies.

### **The Letter to the Hebrews in Social-Scientific Perspective** David A. deSilva, 2012-06-20

A lot of mystery surrounds the book of Hebrews, especially regarding its authorship, date, and audience. But by asking the right kind of questions, one can move beyond the impasses typical of historical investigation. In this volume, David deSilva explores

Hebrews through a social scientific lens asking one of the most important questions when interpreting letters and sermons What was going on in the community to occasion such a response DeSilva looks for clues concerning the anonymous author his education level the influence of the Greek environment and his perception of his own authority In addition by forming a social profile of the audience that includes location ethnicity and class status deSilva brings to light the author s aims of helping protect Christian converts from persecution and social shame This book not only helps the sermon to the Hebrews take on flesh and blood for contemporary readers it also expands the readers tools for asking fresh questions and exploring new dimensions in biblical texts     *George W.E. Nickelsburg in Perspective* George W. E. Nickelsburg, Jacob Neusner, Alan Alan Jeffery Avery-Peck, 2003 Selection of articles and excerpts by George Nickelsburg with critical responses and Nickelsburg s rejoinders     *Jewish Women in Historical Perspective* Judith Reesa Baskin, 1998 This collection of revised and new essays explores Jewish women s history Topics include portrayals of women in the Hebrew Bible the image and status of women in the diaspora world of late antiquity and Jewish women in the Middle Ages     *Rereading Galatians from the Perspective of Paul's Gospel* Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul s autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul s logic what comes first is God s promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God s gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ s faithfulness and continue to proclaim the good news of God through Jesus     **In Defense of the New Perspective on Paul** Don Garlington, 2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic     *Perspectives on the Sabbath* Charles P. Arand, 2011 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture
