Writing Through the Tween Years Bruce Morgan, Deb Odom, 2005 It's not easy being a tween A lot of us are either in a tunnel or a bridge A lot of us don't know who we are Instead of following Barney's advice we end up doing what popstars do Kelley age 10 No longer little children but not yet teenagers tweens are beginning to see themselves as autonomous while still struggling to understand where they fit in It can also be an awkward time for teachers who cherish

the hilarious and poignant personalities of tween writers but feel pressured by a new emphasis on testing in the intermediate grades Many teachers have virtually abandoned writers workshops in favor of formula writing and prompts even though these workshops may be essential for understanding the emerging competencies and personalities of eight to twelve year olds Bruce Morgan and Deb Odom teach together at a school where formula writing and test preparation led to stagnant writing scores student boredom and teacher discouragement They worked with their colleagues in grades 3 6 to make some dramatic changes in their collective writing instruction These changes included a return to their roots as writing workshop teachers but with new twists The teaching staff drew up new common standards for writing assessment and achievement The revised writing programs also involved integrating insights from reading strategy instruction with a renewed emphasis on the basics of writers workshop student choice teacher modeling revision and using quality children s literature as mentor text Writing Through the Tween Years documents how teachers can get back to the joys of teaching writing in a literature rich thoughtful environment There may be no better way to understand and reach tween writers *Education Essays* Eric Schiltz,2015-01-24 This book of essays is about education and technology and the use of technology in education I try to buck the trends in education now and for the past 30 years There is one book review I hope that many people will read that book I also critique Waiting for Superman **Is That a Fact?** Tony Stead,2023-10-11 The book you are about to read is destined to be the first middle and maybe even the last word on nonfiction writing for young young children It is certainly a text that you will return to over and over again as you do with a beloved cookbook from the Foreword by Tomie dePaola Over eighty five percent of the reading and writing we do as adults is nonfiction yet most of the reading and writing in K 3 classrooms is fiction or personal narrative In *Is That a Fact Teaching Nonfiction Writing K 3* Tony Stead shows you how to open the door to the rich world of nonfiction writing that goes beyond what I did narratives and animal reports And he convincingly demonstrates the importance of introducing nonfiction writing in the primary grades Nonfiction inspires enthusiasm in young children because they can choose topics that are of interest to them personally *Is That a Fact* explores a variety of authentic purposes for writing nonfiction such as describing explaining instructing persuading retelling and exploring relationships with others You will learn how to introduce each purpose using a variety of forms including letters reports poetry captions directions and interviews Part One provides a complete overview of teaching nonfiction writing in the primary grades and includes practical ways for organizing nonfiction resources within the classroom how to assist children in collecting information for research ideas for helping children keep their sense of voice when writing nonfiction a chapter on spelling with examples of how to guide students at each stage of spelling development strategies for assessment and evaluation that guide teaching and learning engagements Part Two provides five different explorations that were implemented in actual K 3 classrooms Each focuses on a specific purpose for writing nonfiction and features examples of whole class small group and independent instructional engagements a comprehensive assessment rubric that will help teachers tailor instruction to the

needs of all learners an extensive resource section that includes lists of books in the exploration grouped by readability levels answers to the most commonly asked questions about teaching nonfiction writing The appendixes include a self assessment questionnaire reproducible pages for exploring specific writing forms and letters to parents Children need to be introduced to the different purposes of nonfiction writing They need to know how to plan compose revise and publish nonfiction beyond narrative Is That a Fact guides you in achieving these goals with your students
