Grand Master Helio Gracie What the Samurai did with their swords we do with our hands The Samurai knew the importance of keeping their swords sharp and conditioned for peak performance in battle This is why it is important to supplement resistance training with Jiu Jitsu The techniques are very important but maintaining a healthy strong body will not only assist the technique it will also create the resilience needed to combat injuries In this book I will show you how to build training systems with exercises that directly translate into the Jiu Jitsu lifestyle Technique will usually beat strength but we have all been smashed and picked apart by a meathead with a lighter belt Why not have the best of both worlds Jits Fit The Grappler s Guide to Fitness is the instruction manual for developing a body built for battle The movements and content within these pages will build both physical and mental strength endurance and skill I wrote this book because I was sick of looking for it I needed this book when I went from being an expert gym rat to a wide eyed white belt My body just did not want to move the in the ways of the experienced grapplers and I hated not being good at something Not being able to defend myself and not being able to learn the techniques because of my rigid training style So instead of continuing to search for the book that I could not find I decided to write the damn thing This is my way of giving back to the Jiu Jitsu community that has had and continues to have a profoundly positive impact on my life If you have ever stepped on the mat then you know that you are a part of a family And if you have never had the pleasure I encourage you to find an academy because you have no idea what you are missing
