Fated Brothers Mitchell Childers,2013-06-29 It was a dark and stormy night and the elfin army was massed standing at attention in the middle of a clearing of the forest At the head of this army of about two hundred archers and three hundred swordsman were two figures with armor alike yet unlike the other soldiers One was a tall standing young looking elf woman holding a broadsword to her front with both hands casually on the handle the blade in the ground She was wearing a shiny crown of silver and gold on her head and her long white hair was done in one thick braid at her back that reached down to the base of her spine Her armor was somewhat heavy finely made and was of good shiny steel lined with gold that covered most of her body What didnt cover her body revealed a dress underneath that was made of either silk or something like it Standing next to her was a slightly shorter and younger woman who had features like the other Her armor was a little skimpier but of the same material Steel bracers around her forearms as well as somewhat long steel boots gave her limbs some protection The rest was a chest plate and an Averis chain skirt that went down to her knees Averis being a special metal made entirely by elves The skirt has individual scaled plates of its own and both the chest plate and skirt together exposed her midsection On her head was a tiara All of the armor was fit perfectly to her small but muscular tone frame Her hair was blond and short barely reaching her elegant shoulders and was combed back She stood there beside the older woman with two elegantly curved shortswords held backward in each hand The army stood in wait on top of a hill overlooking a dark fort a half a mile away surrounded by numerous monsters of many types and configurations but all an ugly twisted human form The two women in front stood there for the longest time saying nothing and not moving an inch All that could be heard was the sound of thunder and the rain hitting their armor Just then the silence was broken by the eldest woman in front She said Neiren The younger woman turned to her in response I want you to do something for me The younger woman looked at her with deep concern **Thottuva Tales of an Ox, an Elephant and a River** Johny
