American Silhouettes Christian Beres CalmeJane, 2009-04-21 This is

Volume I of two volumes *American Silhouettes* is primarily a study in human character in its dealing with the adversity of life. The setting is America during the last quarter of the twentieth century. More specifically it focuses on the struggle of two generations of a small African American family whose destiny encounters more than its share of horrific tribulations. It is a window on life, love, happiness, suffering, and death of the members of this small, vulnerable, resilient family from the South that moves to Washington D C for a better life, only to find a very short interlude of happiness followed by a deep plunge into another cycle of trauma and despair, not death, though that would be too easy, and when death finally does come, it is a liberation of the body and soul. The saga continues with the cycle of misfortune repeating itself in a new age, a new generation with the same finality as if their destiny had been wickedly predefined. From Bridgeville SC to Washington DC and from Rome to Dakar, their saga brings to light the evil and virtuousness of man in its most natural occurrence as a part of daily life. The story brings together various individuals of different and sometimes opposite background and describes either the passions of their encounters or the clashes resulting from their conflicts. It analyses the most wonderful passions of love, beauty, and happiness and juxtaposes the horrible ugliness of hate and abuse. It incorporates the duty and responsibility of man within the context of our society and dwells into the aberrations of its marginal sector. It is an interweaved matrix of emotional extremes. It demonstrates that evil has no color, no race, no religion, and that it transcends the social fabric of our society.

Belle Beverly Jenkins, 2018-03-01 Belle Palmer is finally free. Separated from her father on the harrowing escape, Belle is lost and alone until she finds shelter with the Bests, the first free family she's ever known. For the first time in her sixteen years, Belle can speak her mind except for her feelings for a certain dark-eyed young man, The Beau. Educated and handsome at eighteen, Daniel Best is engaged to the prettiest if a little spoiled girl around. So when the bedraggled girl his parents take under their wing suddenly turns into a vibrant, lovely young woman, his attraction to her is a complete and complicated surprise. That the two belong together is undeniable, but caught between conscience and attraction, could it possibly happen? Beverly Jenkins has reached romance superstardom. *Detroit Free Press*. Beverly Jenkins writes a captivating novel with the right combination of romance, history, action, and a dash of quick-witted humor. With well-sculpted characters and well-drawn setting, this is a perfect novel to interest teens into reading other romances. *Romantic Times*. *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...*

Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office Library of Congress. Copyright Office, 1923. Cold Victory Karl Marlantes, 2025-03-06 Helsinki 1947 Finland teeters between the Soviet Union and the West. Everyone is being watched. At an embassy party, Finnish American Arnie Koski and Russian Mikhail Bobrov drunkenly challenge each other to a friendly but clandestine cross-country ski race. But the stakes become higher than either could imagine. While the two skiers are unreachable in the arctic wilderness, news of the race is leaked to the media, with Russia's brutal secret police awaiting the outcome. Another masterful novel from the author of the modern classic *Matterhorn*.

Except it isn't. It's all been orchestrated in Daniel's attempt to save his father from the blackmail scheme he's been caught up in by the most ruthless man in Reunion Gap. Meredith's father, Daniel, will have to pretend he's a wannabe woodworker low on cash and not the anonymous artist behind the famous woodturning company that's gained national recognition. And he'll have to find a way to lure Meredith back to Reunion Gap for a meeting with her father. Then he can come clean and hope she forgives him. But it's not going to be that easy. Once Meredith learns about the real Daniel Reese and how he's played her, only forgiveness, true love, and destiny will bring them back together.

Reunion Gap series: Book One: Strangers Like Us, Book Two: Liars Like Us, Book Three: Lovers Like Us, Book Four: Couples Like Us, Book Five: Guilty Like Us, Book Six: Pretenders Like Us. BONUS: Included in this e-book is the first chapter of *A Family Affair*, a small town family saga.

When Christine Blacksworth's larger-than-life father is killed on an icy road in Magdalena, New York, a hundred miles from the getaway cabin he visited every month, she discovers a secret that threatens everything she's always held to be true. Her father has another family that includes a mistress and a daughter.

A Message From the Other Side Moira Forsyth, 2017-07-20

When Catherine moves several hundred miles away from her sister Helen, she says, "Phone calls aren't enough, but they make it easier to edit the truth." Helen can dismiss Gilbert and his enchanted Factory as weird when she's never met him, and Catherine thinks Helen is foolish for loving the unreliable and dangerous Joe. Neither sees the perils concealed in what they have not told each other or guesses at the sinister connection between their separate lives. *A Message from the Other Side* is a novel about love and marriage but even more about hatred and the damage people do to each other in the most ordinary of families.
