Sloppy Seconds Round Two:

Slow Burn 2 Hollis Weller, Michael Fosen, 2014-05-30 For two veteran police officers and their small group of friends the first day of the outbreak starts out like any other until they are confronted with a new and unexpected enemy Each one of them is forced to confront the unthinkable Zombies are real and craving the living with an insatiable appetite Against the full specter of a society crumbling around them and the dead stalking the living in the streets it will take all of their skill knowledge and courage to survive Yet amongst it all they still face enemies among the living as well Armed gangs free to roam the streets Powerful men who want to play politics with people's lives and wolves in sheep's clothing Together the group faces an uncertain future as they struggle against relentless enemies living and dead in a devastated America Matvei the Russian mercenary had been poised to carve out his own empire from the ashes of humanity Horribly underestimating the enemy he now faced the once leader of an army struggles to survive against the very creatures he helped create For Mike and Stephen the idea to use an abandoned prison as a modern day fortress was brilliant Solid stone walls protected them and their growing group of survivors against the relentless advance of the undead howling for their blood giving the people inside a sense of hope in these dark days Utilizing the skills and knowledge of the people sheltered inside they had turned the old prison into a working community They had shelter food and weapons to combat the dead What could go wrong In a nearby conclave was Father Kettle He was a man used to his position of authority as a man of God to get anything he desired Now along with a congregation of ruthless murderers he desires everything the survivors hold dear Father Kettle's personal assassin Jonas had infiltrated the prison to undermine their cause Joining their conspiracy burning with the need for revenge is former Councilman Lewis All the while far to the north in the burning remnants of Chicago the countless eyes of an undead host filled with hunger and rage looked to the south

Sugar Creek Karen Daugherty, 2021-08-31 Leah McKinney has always wanted a life she could be proud of As the new interim principal at a high school in Louisville Kentucky she's fulfilled her goal of reaching the top if only she can convince her boss she deserves to keep it But her love life is another story Three years with the same guy and still no ring has her worried he might be having second thoughts Not to mention the pressure she feels from her family especially her snobby cousins Kate and Allison whose lives appear perfect As Leah strives to make everything work her life is about to take a drastic turn Over the fall break Leah flies to Dallas Texas for a weekend of extravagant celebrations An engagement party for Allison and a christening for Kate But the celebrations quickly turn to chaos when Leah comes face to face with a past she's been hiding A former life she never wanted anyone to know about The one that began at Sugar Creek As Leah's life unravels the pain of her past will force her to confront the hard truths in her life Through the hilarious and sometimes dark twists and turns of SUGAR CREEK she'll have to learn to let go of relationships not meant for her journey to lean on the people who love her the most and to trust the one thing that's never let her down herself
