Smith Wesson 38 Revolver:

Smith & Wesson Roy G. Jinks, Sandra C. Krein, 2006 Horace Smith and Daniel Baird Wesson shared a dream of manufacturing a firearm that could fire repeatedly using a new and self contained cartridge In 1852 the dream became a reality with the founding of Smith Wesson Firearms Company Over the next 154 years the company grew to be one of the most innovative and respected firearms manufacturers in the world The story of Smith Wesson is not only about two knowledgeable and enterprising men but also the story of generations of creative and dedicated men and women The spirit of innovation generated by the partners has long outlived them Today Smith Wesson is synonymous with quality performance and durability Smith Wesson explores the company history its people and significant products from the partners first venture in 1852 to the sale of the Wesson family business in 1965 This book features rarely seen historical photographs advertisements and company documents culled from the company archives museums collections and the private collections of Smith Wesson collectors
