Ushering Guide Training:

Ushering with a Mission VICTOR L. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In *Ushering with a Mission* author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s *Ushering with a Mission* goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life *Ushering with a Mission* stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ

Screening Fears Francesco Casetti, 2023-08-15 A historical and theoretical investigation of the unexpected ways screen based media protect and excite viewers fears and anxieties of the world In this brilliant contribution to contemporary media studies acclaimed theorist Francesco Casetti advances a provocative hypothesis instead of being prostheses that expand or extend our perceptions modern screen based media are in fact apparatuses that shelter and protect us from exposure to the world Rather than bringing us closer to external reality dominant forms of visual media function as barriers or enclosures that defend against the apparent threats and dangers that seem increasingly to surround us Working with an original historical overview that begins with the Phantasmagoria of the late eighteenth century then the shared interior spaces of the movie theater in the early to mid twentieth century and finally the solitary digital milieus of the present Casetti traces the outlines of the protective bubbles that disconnect us from our immediate surroundings To be provided with a shield of immunity to the hazards and uncertainties of the world while experiencing them at a safe remove might seem a positive development But he asks what if these media instead of providing invulnerability ensnare individuals in a suffocating enclosure What if in their effort to keep reality under control they exercise a violence equal to that of the dangers they resist In a dialectical exercise and through a vivid range of cultural artifacts **Screening Fears** traces the emergence of modern protective media and the way they changed our forms of mediation with the world in which we live
