Via: Commanding General, Marine Corps Recruit Depot, San
Diego, California

Subj: Letter of Appreciation

1. It is with great pleasure that I commend you on your performance of duty at the 1957 National Matches in which you became the first regular Marine in history to win the National Grand Aggregate Pistol Championship of the United States. You showed the greatest of control, skill, and degree of training in winning both the National Pistol Aggregate Championship and in placing a close second in the National Pistol Trophy Individual Match.
2. I also want to especially commend you for your duty during the past year while a member of the Marksmanship Training Unit; for your performance of duty as an instructor, both at the Recruit Depot and with the National Team, and for having established new National record rapid fire scores for the .22, .38, and service .45 cal pistols. This is in addition to a new International rapid fire record and a new record aggregate score for all of the above weapons. I have been informed that you now hold more National Pistol Records than any other person in the United States.
3. Because of your persistence and hard work, you have become a most valuable asset to the nation and to the Marine Corps. Your proven ability can be a most important resource in marksmanship training and in competition on the National and International level. It is anticipated that you will make a great showing, together with the other members of the United States Team, at the International Matches to be held at Moscow in the summer of 1958.
4. Congratulations on your present accomplishments, and best of luck for your future competitions. A copy of this letter will be made a part of your official record.
