The U.S. Postal Service in Crisis United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Subcommittee on Federal Financial Management, Government Information, Federal Services, and International Security, 2010 *U. S. Postal Service: USPS Has Taken Steps to Strengthen Network Realignment Planning and Accountability and Improve Communication* Phillip Herr, 2009 Reports have been issued on the USPS strategy for realigning its mail processing network and improving delivery performance info These reports recommended that the USPS 1 strengthen planning and the overall integration of its realignment efforts and enhance accountability by establishing measurable targets and evaluating results 2 improve delivery service standards and performance measures and 3 improve communication with stakeholders by improving public notice engagement and transparency This testimony discusses USPS s actions toward 1 strengthening network realignment planning and accountability 2 improving delivery performance info and 3 improving communication with stakeholders Charts and tables **The Three R's of the Postal Network Plan** United States. Congress. House. Committee on Oversight and Government Reform. Subcommittee on Federal Workforce, Postal Service, and the District of Columbia, 2009 **U. S. Postal Service** Phillip Herr, 2010-08 The Postal Accountability and Enhancement Act of 2006 required an evaluation of strategies and options for reforms of the U S Postal Service USPS USPS s business model is to fulfill its mission through self supporting businesslike operations however USPS has experienced increasing difficulties Due to volume declines losses a cash shortage and rising debt the USPS was added to a high risk list in July 2009 The objectives of this report were to assess 1 the viability of USPS s business model 2 strategies and options to address challenges to its business model and 3 actions Congress and USPS need to take to facilitate progress toward financial viability Includes recommendations Charts and tables *The Impact of the Economic Crisis on the U.S. Postal Service* United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Subcommittee on Federal Financial Management, Government Information, Federal Services, and International Security, 2009 Reinventing the Postal Sector in an Electronic Age Michael A. Crew, Paul R. Kleindorfer, 2011-01-01 This compilation of original essays by an international cast of economists regulators and industry practitioners analyzes some of the major issues now facing postal and delivery services throughout the world as competition from information and communication technologies ICT has increased Competition has become increasingly important in the postal sector for some time in the form of alternative entrants providing mail delivery However the competition from ICT in the form of email and instant messaging the Internet Facebook and other forms of social networking and portable wireless devices such as the iPad and Kindle may be even more significant Mail volumes are falling and the economies of scale that have made possible daily deliveries to every address are being eroded This book assesses volume these declines resulting from this so called eSubstituion and looks at the ways the postal sector can adapt to the rapid changes resulting from ICT The impact of electronic invoicing on transactions mail and

the impact on bulk mail of electronic forms of advertising are examined Strategies including pricing and access policies are discussed in the context of the increasing impact of ICT A rethinking of the role of mail in an electronic age is taking place and this book provides the cutting edge of this rethinking and the attempts of POs to reinvent themselves while continuing to meet the public's expectation of continuing ubiquitous daily deliveries of traditional mail products Undergraduate and postgraduate students and researchers in regulation competition law innovation and public sector economics along with institutional libraries and industry professionals will find this volume informative and useful

U. S. Postal Service's Financial Condition Kevin R. Kosar, 2010-11 Provides an overview of the U S Postal Service's USPS financial condition recent legislation to alleviate the USPS's financial challenges and issues for the 111th Congress Since 1971 the USPS has been a self supporting gov't agency that covers its operating costs with revenues generated through the sales of postage and related products and services Recently the USPS has experienced significant financial challenges Contents 1 Background 2 Financial Difficulties FY 2006-09 3 FY 2010 Financial Condition 4 Issues for Congress Increasing Revenues Altering Postage Rates Reducing Costs Reducing Pension Costs Reducing the USPS's Retail and Nonretail Facilities Reducing Mail Delivery from 6 to 5 Days Week Illus *The Changing Postal and Delivery Sector* Michael Crew, Pier Luigi Parcu, Timothy Brennan, 2017-01-20 This book addresses some of the major issues facing postal and delivery services throughout the world Postal operators worldwide have been slow to address the threats from and opportunities created by electronic competition The European Commission and member states are wrestling with these issues while at the same time continuing to deal with the interrelated issues of implementing entry into postal markets and maintaining the universal service obligation The Postal Accountability and Enhancement Act of 2006 in the U S exacerbated financial and managerial problems faced by USPS that result in part from electronic substitution for letter delivery Comprised of original essays by prominent researchers in the field this book addresses the new reality of the postal industry and proposes ways in which postal operators might reinvent themselves Issues discussed include cross border parcel delivery e-commerce the transformation of postal networks and the effects of postal liberalization This book will be of interest to postal operators regulatory commissions consulting firms competitors and customers experts in the postal economics law and business and those charged with the responsibility for designing and implementing postal sector policies Researchers in regulatory economics transportation technology and industrial organization will also find useful information in this volume

U. S. Postal Service: Escalating Financial Problems Require Major Cost Reductions to Limit Losses Phillip Herr, 2009-11 USPS's financial condition has deteriorated Mail volume declined by a record 9.5 billion pieces 4.5% in FY 2008 leading to a loss of 2.8 billion the second largest since 1971 This was largely due to declines in the economy esp in the financial and housing sectors as well as shifts in transactions messages and advertising from mail to electronic alternatives Declining mail volume flattened revenues despite rate increases while USPS's cost cutting efforts were insufficient to offset the impact of declining mail volume and rising

costs in fuel and cost of living allowances for postal employees This testimony focuses on 1 USPS s financial condition and outlook and 2 options for USPS to remain financially viable in the short and long term Illus **Heightening Competition in the Postal and Delivery Sector** Michael A. Crew,Paul R. Kleindorfer,2010-01-01 This compilation of original essays by an international cast of top scholars addresses some of the major issues now facing postal and delivery services throughout the world The European Commission and member states wrestle with the problem of how to implement the scheduled liberalization of these sectors and maintain the universal service obligation while the United States Postal Service is coming to terms with the Postal Accountability and Enhancement Act In addition the book addresses the impact of electronic competition as well as other problems facing the field The contributors analyze pressing issues such as access to infrastructure and service elements changes in the national regulations of EU countries forecasting mail volumes and the evolving market environment issues surrounding universal service and others Undergraduate and postgraduate students and researchers in regulation and public sector economics along with industry professionals will find this volume informative and useful U. S. Postal Service: Financial Crisis Demands Aggressive Action Phillip Herr,2010-09 The U S Postal Service s USPS financial condition and outlook deteriorated significantly during FY 2009 USPS was not able to cut costs fast enough to offset declining mail volume and revenues resulting from the economic recession and changes in the use of mail such as electronic bill payment The USPS needs to restructure to improve its financial viability Declines in mail volume and revenue large financial losses increasing debt and financial obligations will continue to challenge USPS This testimony provides 1 info on USPS s financial condition and forecast and 2 the need for USPS restructuring In addition questions and issues are included for Congress to consider regarding USPS s proposal to reduce delivery from 6 to 5 days **Congressional Record** United States. Congress,2009 *International Marketing Research* V.
