If This Is a Woman Denisa Neštáková, Katja Grosse-Sommer, Borbála Klacsmann, Jakub Drábik, 2021-12-14 The present volume contains thirteen articles based on work presented at the XX Century Conference If This Is A Woman at Comenius University Bratislava in January 2019 The conference was organized against anti gender narratives and related attacks on academic freedom and women s rights currently all too prevalent in East Central Europe The papers presented at the conference and in this volume focus to a significant extent on this region They touch upon numerous points concerning gendered experiences of World War II and the Holocaust By purposely emphasizing the female experience in the title we encourage to fill the lacunae that still four decades after the enrichment of Holocaust studies with a gendered lens exist when it comes to female experiences

The Routledge Handbook to Auschwitz-Birkenau Sarah M. Cushman, Joanne Pettitt, Dominic Williams, 2025-08-12 This handbook examines Auschwitz Birkenau as both a site and a symbol of Nazi genocide Scholars from a range of disciplinary perspectives consider Auschwitz s history by engaging with Holocaust historiography and its place in Holocaust memory and representation illustrating their mutual influence The chapters bring new insights to topics that other studies of Auschwitz have explored before such as the Sonderkommando the Czech family camp and literary representations of Auschwitz Other chapters cover recent developments and more neglected areas such as the experience and memory of Romani prisoners the fate of Soviet prisoners of war and Auschwitz s presence on social media The handbook also responds to a number of recent trends and new paradigms in Holocaust Studies including contributions from the fields of Environmental Studies Spatial Studies and Gender Studies As a crucial overview of the topic of Auschwitz Birkenau and an introduction to its most recent and fruitful scholarly approaches this handbook will be a valuable resource for undergraduates from second year and up as well as for graduate students and researchers seeking a survey of the field

Vendulka Ondřej Kundra, 2021-02-01 Famed Czech Avant garde photographer Jan Lukas snapped an offhand portrait of twelve year old Vendulka Vogl in March 1943 A friend of the Vogls Lukas was saying goodbye to the family who were soon to leave Prague for a concentration camp The photograph almost didn t see the light of day Lukas knew that if the Nazis found it on him he could wind up in the camps as well but the image was eventually developed and came to symbolize the Holocaust and humanize its victims Seventy years after this famous picture was taken investigative journalist Ond ej Kundra discovered that despite all odds Vendulka Vogl had survived the camps of Terez n Auschwitz and Christianstadt and was in fact still alive and living in the United States Kundra persuaded her to tell the remarkable story surrounding the photograph her survival her later decision to flee the Communist regime for America and how she later reconnected with Jan Lukas maintaining a lifelong friendship Vogl s thrillingly moving story Kundra s sharp and engaging writing and Lukas s striking photography all combine to make Vendulka an inspiring investigation into the horrors of totalitarianism and the redemptive beauty of friendship

Originally published in the early 1960s I Escaped from Auschwitz is the striking autobiography of none other than Rudolf Vrba himself Vrba details his life leading up to during and after his escape from his 21 month internment in Auschwitz Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina Slovakia informing them about the truth of the unknown destination of Jewish deportees all across Europe This first hand report alerted Western authorities such as Pope Pius XII Winston Churchill and Franklin D Roosevelt to the reality of Nazi annihilation camps information that until then had only been recognized as nasty rumors I Escaped from Auschwitz is a close up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II This newly edited translation of Vrba s memoir will leave readers reeling at the terrors faced by those during the Holocaust Despite the profound emotions brought about by this narrative readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances Nach dem Vergessen Magdalena Marszałek, Alina Molisak, 2010
