culture But as the century drew on the traditional positive images were revived as many Americans again developed an appreciation for France's cuisine art and urban and rustic charms Levenstein in his colorful anecdotal style digs into personal correspondence journalism and popular culture to shape a story of one nation s relationship to another giving vivid play to Americans changing response to such things as France's reputation for sexual freedom haute cuisine high fashion and racial tolerance He puts this tumultuous coupling of France and the United States in historical perspective arguing that while some in Congress say we may no longer have french fries others like Humphrey Bogart in Casablanca know they will always have Paris and France to enjoy and remember The Rough Guide to France David Abram, Rough Guides, 2011-04 The Rough Guide to Franceis the ultimate travel guide with clear maps and detailed coverage of all the best French attractions Full colour features explore the very best French wines and cheeses as well as France s key walking regions and routes while an extensive language section will get you started on all the most important French phrases and vocabulary Find detailed practical advice on what to see and do while relying on up to date descriptions of the best hotels bars restaurants and shops in France for all budgets You ll find expert tips on exploring the country's varied landscapes from the slopes of the Alps to the vibrant metropolis of Paris and authoritative background on France's history wildlife and food Accurate maps and comprehensive practical information help you get under the skin of France whilst stunning photography and a full colour introduction make The Rough Guide to Franceyour ultimate travelling companion Make the most of your time on Earth with The Rough Guide to France **DK Eyewitness Travel Guide** Liz Atherton, Elizabeth Atherton, 2010-09 The DK Eyewitness Southwest USA and Las Vegas travel guide will lead you straight to the best attractions the region has to offer Whether you re taking in the views at the Grand Canyon gambling in Las Vegas or enjoying the hot pools at Jemez Springs this guide provides all the insider tips every visitor needs with comprehensive listings of the best hotels restaurants shops and nightlife for all budgets It's fully illustrated and covers all the major areas from Utah Santa Fe and Alberquerque to Phoenix Las Vegas and Arizona You ll find 3D cutaways and floorplans of all the must see sites there s even a cutaway to show the geology of the Grand Canyon plus reliable information for getting around this diverse region Exploring the culture history and architecture not missing the best in entertainment shopping tours and scenic walks DK Eyewitness Southwest USA and Las Vegas is your essential companion DK Eyewitness Southwest USA and Las Vegas showing you what others only tell you Brittany and Normandy Greg Ward, 2003 This guide to Brittany and Normandy now in its 8th edition contains a full colour introduction section that includes pre trip information and a colour photograph section of the region s highlights from Monet s garden at Giverny to the Bayeux tapestry For every part of this region there are reviews of the best places to stay eat and drink for all budgets The guide also provides carefully researched articles on the region s history music festivals and cuisine
