Occupation With Christ:

The Rise of the Antichrist Lowell B. Hudson, 2018-11-13 Does the idea of Biblical Prophecy seem well laughingly absurd galactically improbable Good It s supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That s what Biblical prophecy is about on a macro level That s its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist s rise to power By using careful time honored traditional methods of Biblical investigation we ll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that s a lot to swallow all at once That the future is knowable on some level and that it s going to be so horrible Why would anyone want to believe this could happen Deep down I don t want to believe it It s so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that s supposed to happen too It s Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it s ok to be skeptical It s absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday of knowing that wonderful excruciating panic of having your mind blown open

Intersex in Christ Jennifer Anne Cox, 2018-07-20 Intersex is an umbrella term for many different conditions that cause ambiguous sexual biology Intersex people are in between neither clearly male nor clearly female Intersex has been largely hidden through surgery and secrecy but is now coming out into the open Many intersex people have experienced physical psychological and relational pain because of the shame attached to their bodily difference The existence of people with unusual sexual biology presents a challenge to the Christian ideal of humanity as male and female How can evangelical Christians rightly respond to this phenomenon Intersex in Christ provides a balance of grace and truth upholding male and female as God s created intent while insisting that there is a positive place in the kingdom of God and the world for people with unusual sexual biology Intersex people are created in the image of God because of the love of God Jesus accepts loves and dignifies intersex people The gospel of Jesus Christ is good news for all people however sexed An evangelical response to intersex will therefore be one of acceptance love justice and inclusion Intersex in Christ will help both intersex Christians and the church to understand intersex through the lens of Christ *God*
