

A photograph of the interior of a Whirlpool oven, showing the control board and its associated wiring. The control board is a yellowish-brown printed circuit board (PCB) mounted on the back wall. It is surrounded by a complex network of colorful wires (red, blue, yellow, purple, green) that are bundled together and connected to various components. Some wires are bundled with white tape. The background is dark, and the overall lighting is somewhat dim, highlighting the electrical components.
