Scripture Object Lessons and Outline Teaching for Sunday Schools Henry Christopher MacCock, 1872

Christ's Object Lessons—Illustrated Ellen G. White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God's loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things

were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ's parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life The Person and Work of the Holy Spirit Samuel Ridout, 2015-04-18 Publisher's Introductory Back in the eighteen and early nineteen hundreds there were a group of men known as the Plymouth Brethren These men had many writings and many of them were taken from Lectures given in many areas and at different times during this era Some were given in different languages and then translated into English I have taken many of these writings and messages and formatted them so they could be read on tablets and phones In other words they are in epub and mobi formats I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and on Google play for the Android OS Hopefully this number will keep increasing as time goes on Contents Lecture 1 The Holy Spirit in the Dispensations Before Christ the Present Age the Millennium Lecture 2 The Holy Spirit in Salvation Conviction Regeneration Sealing Assurance Lecture 3 The Holy Spirit in Sanctification Indwelling Communion Anointing Prayer The Walk in the Spirit Lecture 4 The Holy Spirit in the Church Baptism of the Spirit Unity of the Spirit Gifts of the Spirit Worship by the Spirit Lecture 5 The Holy Spirit for Power Filled with the Spirit Confession Boldness Guidance Ministry Lecture 6 The Holy Spirit and the Scriptures Inspiration Enlightenment Prophecy Lecture 7 The Holy Spirit and Christ Before His Incarnation During His Earthly Life the Present Dispensation the Coming of the Lord

God's Plan Andrea Erickson Lindsey, 2024-03-04 One of the most important things we can do as parents and leaders as we read and search the scriptures is to attend carefully and focus seriously on the points of doctrine taught by apostles and prophets The author of this book quoted President Boyd K Packer's marvelous statement about how the teaching of doctrine changes lives and builds faith and testimony like nothing else can That being true it is crucial that parents or caretakers utilize every occasion to help children understand the doctrine of the gospel of Jesus Christ Familiarity with doctrine can give them a proper perspective on life fortify them against the wiles and temptations of the devil help them find comfort in difficult times bring the Holy Spirit into their daily walk and talk and come to know their Lord and Savior in ways that nothing else can Any effort therefore to assist children in understanding the doctrine found in holy scripture and the teachings of latter day apostles and prophets can be fundamental and foundational for our little ones In that spirit I applaud the effort of Andrea Erickson Lindsey to help parents help children Having worked successfully as a seminary teacher within the Church Educational System she is able to present the doctrine of the Church in a clear and understandable manner Andrea is a former student of mine and so I know something of her earnest desire patience and

perseverance in pushing forward this project It is my hope that the lessons and examples provided within this book will assist parents and loved ones to bring the children up in the nurture and admonition of the Lord Ephesians 6:4 see also Enos 1:1

About the Author Andrea Erickson Lindsey received her master's degree in religious education from Brigham Young University in 2009 She was a Professional Religious Educator for The Church of Jesus Christ of Latter-day Saints teaching both Seminary and Institute She taught at Education Week EFY Especially for Youth and Best of EFY for several years Her extensive training and experience in working with and teaching the youth is an important and valuable resource for parents during these difficult times

Hebrews John F. MacArthur, 2016-06-28 Pastor John

MacArthur will take you through the book of Hebrews passage by passage so that you can better understand the author's

message the cultural context and the perfect sufficiency of Christ The early Jewish believers had come from a background of legalism and works When God came to earth in human flesh as the New Covenant these believers discovered the freedom they could have in Jesus and the relationship they could enjoy with Him Yet in the midst of persecution and rejection they were often tempted to hold on to the former symbols rituals and traditions grounded in the requirements of the Old Covenant The unknown author of Hebrews sought to address this problem by contrasting the Old and New Covenants brilliantly showing that Christ is higher than any Old Testament character priest ritual or sacrifice Because of Jesus life death and resurrection He is the perfect sacrifice and our own High Priest And He has given all believers unfettered access to God
