Alone for the holidays, he catches a glimpse of his neighbor Edith across the street one evening and realizes that she's in danger. Anton is determined to help Edith leave her abusive marriage. Frightened and fifteen years Anton's senior, Edith is slow to trust. But when she needs a safe place to stay, she lets down her guard, and over the course of ten days, an unlikely friendship grows. As Anton falls hopelessly and selflessly in love, Edith fears both her husband finding her and Anton getting hurt. She must disappear without telling anyone where she's going, even Anton. If keeping Edith safe means letting her go, Anton will say goodbye forever. Or so he believes. What would happen though if one day their paths should cross again? Hyde's Weekly Art News, 1918      Just a Regular Boy Catherine Ryan Hyde, 2023-03-07

An orphaned boy raised by a survivalist wends his way into the real world in an emotional novel about hope, fears, and found family by New York Times bestselling author Catherine Ryan Hyde. Out there is chaos, the collapse of society, and so much to be afraid of. All that matters is freedom. That's what Remy Blake has been taught by his survivalist father. Raised off the grid in the middle of nowhere, his own survival skills not yet honed, Remy is days shy of his eighth birthday when his father unexpectedly dies. As seasons pass, supplies run out, and fending for himself grows more desperate, Remy sets out on foot, unprepared for the great unknown of civilization. He is found, near feral, silent, and terrified in the small rural town of Blaire. To Anne, a nurturing mother of two adopted teenagers who's still dealing with her own childhood rejections, Remy is not a lost cause. Just a challenging one. As Remy cautiously adapts to his new foster home, his family wants nothing more than to reassure him that he can trust the world. But to do so, they must first reexamine how much they trust the world themselves, and how much they should. As Remy's journey into the real world begins, figuring out how to navigate it becomes a path they will have to learn to walk together. *The Federal Employee*, 1931
