**Living the Dream** Nick Chaleunphone, 2019-12-03 Living the Dream is a collection of poems that lets you live life with the rawest and deepest emotions known to man It gives hope when you're at your worst and inspires to move forward when all is lost

**The Girls in the Office** Jack Olsen, 2020-06-17 A compilation of multiple case histories of single women of various ages who all work for the same company in New York City He never reveals who the company is after decades of thought and a little research I think I figured it out but that isn't important What IS important is the lives of these women how they feel about their lifestyle how they feel about their work how they feel about the company and how they feel about each other If you ever sensed that the faces we wear in public have little to do with who we really are and how we really feel this book will solidify that feeling All of the women are very unique some you admire some you pity some you dislike But all are fascinating It's a flashback to the 1970s and the early stages of the women's liberation movement It will leave you wondering where these women are today and what became of their lives

*Inside the New University: Prerequisites for a Contemporary Knowledge Production* Kristina Johansson, Göran Lassbo, Eddy Nehls, 2013-07-02 This discourse on the concept of the new university encompasses a number of interconnected topics ranging from the impacts of the market forces on the old academic territory to current perceptions about relationships between teachers and students The book focuses on the inside features of the new academia Some examples of issues and questions covered include New media in education which present opportunities and challenges for both learning students and teachers But are these new possibilities for all or just for members of the current internet generation Moreover How can new media be arranged to support a process of generic collaborative learning A discourse on the new student Nowadays terms such as rationality and Bildung have emerged coupled with a trend for searching for shortcuts and denying one's interests in deeper understanding of subjects But does there really exist a new student on a qualitative level Free dialogue has been brought forward by many educationalists as one important way to promote academic knowledge How does free dialogue really contribute to this objective The e book relates such issues to the specific features of the new university For a broad insight into the issues forming the education of the future generation Inside the New University offers important clues for the understanding of the new university concept to readers including educationalists and government policy makers interested in the qualitative evolution of contemporary
