Where You Missing You:

Inspirations From High And Dry Places Shemika Robinson-Wilson, 2009-07 My book is a variety of poems short stories and inspirational scriptures and that has helped me along the way Actually the book points out some parts of my own testimony There are some prayers that I actually prayed on some days that I was down I want the readers to know that we have some up and down days but we will be o k if we just keep on going Even when we are feeling at our lowest god still provides us with his love and kindness and it is important to know that he will never leave us This book is directed to anyone who is seeking the lord also those who are currently walking with him but just need to be encouraged a bit to get through the day There may be something in the book that may stick with someone for the rest of their lives or perhaps share with some one that they know I wanted this to be contagious The book also backs up the statement of We may not be where we want to be but we are not where we used to be

The Wind from Heaven's Window Pat Mitchell, 2013-11 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader It s been said that not all men are masters but all masters have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers
